

## VILLAGE OF RIVER FOREST E-NEWS

Thank you for taking the time to read the Village's E-News. These messages are sent approximately once per month and include timely information regarding Village events, news and other useful information. We strive to keep the content brief and relevant to the issues that matter most to the community.

### Message from the Village President

Dear Residents of River Forest:

Welcome to March and an approaching spring.

I'd like to encourage residents to attend the March 14 Board of Trustees meeting where two important matters will be considered. The Board of Trustees and I believe these items will play prominent roles in community progress.

The Historic Preservation Commission will make its final presentation on proposed amendments to preserve and enhance architecturally and historically significant homes in River Forest. The Board is expected to vote on these changes. This endeavor came through the hard work and perseverance of the volunteers on the Historic Preservation Commission, and we thank them for their efforts. Our future depends on retaining the homes that, over the years, have made our motto "Proud Heritage, Bright Future" come alive. Click [here](#) to visit the Historic Preservation page on the Village's website and the work the Commission has accomplished. Click [here](#) to learn more about the proposed Ordinance amendments.

The Village Trustees and I will also discuss the redevelopment agreement for the corner of Lake Street and Lathrop Avenue on March 14th. This project will be a key anchor of the Village's plan to revitalize Lake Street as River Forest's downtown business district. In 2010, when I was a Trustee alongside Trustees Susan Conti and Mike Gibbs, the Village Board approved a contract with Keystone Ventures to craft a vision for this multiuse development and see it through to completion. The current Board of Trustees and I look forward to making this important piece of our economic development efforts a reality.

Looking ahead to April, the Village Trustees and I will commence the process to establish the Tax Increment Finance district for Madison Street. The Board will also adopt a balanced budget for the Fiscal Year 2016-2017, which begins May 1.

TOWNSHIP SPOTLIGHT

Forest Park will host the annual St. Patrick's Day Parade, Saturday, March 5. It will kick off at 1 p.m. at Madison Street and Van Buren and travel east on Madison into Forest Park. There will be travel and parking restrictions. Click [here](#) to learn more.

Please join me in congratulating River Forest resident and owner of the [Buzz Cafe](#), Laura Maychruk, who received the Excellence in Philanthropy Award in recognition of the Cafe's philanthropic contributions to the community. Ms. Maychruk received this honor during the recent annual meeting of the [Community Foundation of Oak Park and River Forest](#). This award is well deserved.

Please also join me in recognizing River Forest finalists in the fifth annual [One Earth Film Festival](#). Willard School students Miles Toppen and Carter Workman were winners in the elementary school category for their film "Pretty Nice Island The Movie." Honorable mention was awarded to Trinity students Kate Conneely, Emma Alm, Veronka Lubeck, Sarah Whiteside and Katherine Cusack for their film "Green Team." The Sustainability Committee, our local partner in making River Forest a more environmentally friendly community, will present them all with an *Excellent Achievement Award* during an upcoming Board Meeting. We look forward to meeting these outstanding students, who are role models in making this community and the world a better, healthier place to live.

As part of the One Earth Film festival, the [Good Earth GreenHouse](#) located at 7900 Madison St., in River Forest, will show the film Black Ice at 7 p.m., Saturday, March 5. The movie, which focuses on the efforts of Greenpeace activists, will be followed by a discussion.

This year's Presidential Primary Election is fast approaching. Early voting will take place until March 14 at [Oak Park Village Hall](#) which is located at 123 Madison St. A full schedule of hours and days is available by clicking [here](#). If you want to vote in person on Tuesday, March 15, but are unsure where to do so, please visit the [Cook County Board of Elections](#) website to find your polling place. Voting is one of our most important civic responsibilities. Please be sure to exercise your right to vote.

And on a final, lighthearted note, I am proud to report that River Forest was the winner of the LipSync battle with Oak Park and Forest Park. The trophy will be on display at the Village Hall. This contest was sponsored by the [Oak Park Arts League](#).

Best wishes and Happy St. Patrick's, St. Joseph's Day, Easter and Purim.

Cathy Adduci

The Presidential Primary Election will take place on March 15th, 2016. For more information including polling locations, please click [here](#).

## Safety for the Season

The River Forest Fire Department would like to remind and educate everyone on the importance of fire sprinklers, especially those homeowners with residential sprinkler systems. If you have a residential sprinkler system, please [click here](#) for a notice from the River Forest Fire Department.

Please take time to read the following safety tips:

- [Home Fire Sprinklers Fact and Fiction](#)
- [How Fire Sprinklers Work](#)
- [Home Sprinkler Safety Tips](#)
- [Know Your Sprinkler System](#)

Learn more about the importance of sprinkler systems [here](#)!

## Know the Code!

The Village would like to remind you:

- Political yard signs may only be displayed on private property. They may not be placed in the public right-of-way such as parkways.
- It is important to remember that accessory structures on your property, such as a detached garage, must be maintained structurally sound and in good repair. The Village will be working with the owners of properties with non-compliant structures to identify issues and bring them into compliance. As always, the Village prefers to achieve voluntary compliance.
- Property must be kept free from accumulating trash. Trash must not be allowed to accumulate against fences and buildings or along sidewalks and in alley ways. As the snow melts, please be conscious of this to help keep River Forest beautiful!

## A Message from OPRFHS

Oak Park and River Forest High School currently has two swimming pools, which were built in 1926. The normal lifespan of a pool is 40 to 50 years, and at 90 years old, the OPRF pools suffer from a host of serious issues. Neither of the pools meets current safety, ADA, competition, or spectator standards, and both structures have significant structural and mechanical deficits. The pools are at risk of developing issues that would render them permanently inoperable.

Last year, the board approved building a 50-meter pool on the site where the parking garage currently is located, at Scoville Avenue and Lake Street. The Board proposed financing the project with a combination of existing funds and bonds. However, the community voiced concerns about the approved project's cost, funding, and parking plan. In response, the Board has asked its architects for additional options, including drawings and cost estimates. The Board is preparing to seek community input about the new and existing pool options and costs and is considering a referendum for the November 8, 2016, election. The deadline for approving a resolution for that election is August 22, 2016.

To read a recent editorial about the pool from OPRF Board President Jeff Weissglass, please [click here](#).
