

VILLAGE OF RIVER FOREST E-NEWS

Thank you for taking the time to read the Village's E-News. These messages are sent approximately once per month and include timely information regarding Village events, news and other useful information. We strive to keep the content brief and relevant to the issues that matter most to the community.

Message from the Village President

Dear Residents of River Forest,

Our tax increment finance district for Madison Street is now in effect. This has been a long process, but through it all, the Board of Trustees, Village staff and I focused on taking the necessary steps to expand and add vibrancy to our commercial tax base to move River Forest ahead. Reinvigorating our commercial base is vital to our community's progress. That means we must strengthen the value of our commercial properties to lessen the property tax burden on our residents. A TIF district will help shift the tax burden away from homeowners, allowing our neighbors, especially seniors on a fixed income, to remain here in River Forest. It is the right thing to do and in the long run it will improve the quality of life for all of us. I want to thank residents who participated in this process. Government exists to serve the community and I believe that resident involvement has enhanced the process.

What will happen next? At the beginning of the 2017 the Village will formulate a strategy to attract potential developers to River Forest. While we do not yet know what kind of businesses will come, we hope to see a white tablecloth restaurant that many residents desire. Guiding our efforts will be the marketing plan, 2010 corridor study and comprehensive plan. The Village Board and Staff will continue to work with volunteer commissions including the Economic Development Commission and the Development Review Board as well. To see all of the TIF documents, please click [here](#). To see the corridor study, please click [here](#).

Citizens Corp, the Village's go-to volunteer emergency response team, needs a new co-leader and I hope a River Forest resident will consider taking on this important responsibility. Since its inception in 2009 Ron Sherman has led this group admirably, and staff, the Board of Trustees and I want to thank Ron for his inspired, unflinching and dedicated leadership. For more information about the Corps, what it does and how volunteers can apply,

Recently, I made a presentation about local government to Lincoln School third graders. The children asked a lot of good questions and were quite interested in their community and the environment. I want to thank the teachers, children and parents for this opportunity. Click [here](#) to view my presentation.

I hope you will tune in to the Doris Davenport Show on WPNA Radio 1490 AM from 6:30 to 8 PM, Dec. 18 when I will talk live about village issues, concerns and upcoming events. You can also live stream the broadcast on www.radiowpna.com.

At 8 AM, December 8, I will present the State of the Village at the 5th Annual PlanITGreen Institutional Leaders Forum. It will be held at the 19th Century Club. Watch for the presentation on our website.

On behalf of the Board of Trustees, Village Clerk, Village Staff and myself, we would like to wish you and your families and friends a warm and wonderful Holiday Season and a peaceful New Year.

Sincerely,

Cathy Adduci

Sarah's Inn

Once again, Village Hall is serving as a drop off location for Sarah's Inn. Your donation can help bring hope and support to a family affected by domestic violence this holiday season. Drop off donations of unwrapped toys and gift cards by December 15, 2016 at the River Forest Village Hall Front Desk.

Unwrapped toys and gift cards should be new and within the approximate value range of \$10 - \$25. Please consider gifts that promote non-violence and positive self-image.

Toys for Tots

The River Forest Police Department will again be participating in the Toys for Tots program during the Holiday season. The program runs now through December 21. Simply drop off a new, unwrapped toy at the front desk in Village Hall and we'll add it to the collection box for Toys for Tots! Please note that all donated toys must be new and sealed in its original package. Stuffed animals are not allowed due to dust and allergy concerns. Also, donated toys should not be gift wrapped. All donations given at Village Hall will be distributed locally in the Chicagoland area. To learn more about Toys for Tots, please visit their website by [clicking here](#). Thank you for your generosity!

River Forest Citizen Corps Seeks New Chairperson

The River Forest Citizen Corps (RFCC) is a small volunteer organization sponsored by the Village of River Forest that operates under the motto, Neighbors Helping Neighbors. The RFCC is now searching for a new Chairperson. The group seeks an action-oriented individual with the energy and willingness to maintain and grow the current volunteer group, maintain the ability to provide First Aid and CPR training to the community, encourage family and community preparedness and support responses to all types of large scale emergencies. The Chairperson will be responsible for the administration of the organization and work with the leader of the Community Emergency Response Team (CERT). To learn more about Citizen Corps, please [click here](#).

This is an exciting, volunteer position with the ability to perform almost all duties from home at an average of one or two hours a week. Training and support will be provided. If interested, please [contact Ron Sherman](#).

Overnight Parking Ban Lifted for Christmas and New Year's Holidays

Overnight parking will be allowed on Village streets from 12:01 AM Friday, December 16, 2016 through 12:01 AM Tuesday, January 3, 2017. No overnight parking waivers will be required during this period.

Reminder - parking is not permitted on any Village street after two inches of snow or more has accumulated on the street, and for up to eight hours after the snowfall ends, to allow snow plows to safely clear the street.

Holiday Season Village Hall Closures

The Village Board and staff wish all residents a very safe and happy holiday season. Please note Village Hall will be closed Friday December 23, Monday December 26, and Monday January 2.

River Forest Police Department - Protect Your Home When You're Not There

The Village of River Forest Police Department would like to remind you of the following **Do's** and **Don'ts** for protecting your home when you're not there.

Do ask a friend or trusted neighbor to keep an eye on your house while you are gone and leave a key with them so they can check both inside and out. If you have an alarm, make sure they have the alarm code and know how to use the alarm system. Also make sure to notify the alarm company of who will be checking in on the home, in case they set off the alarm accidentally.

Don't leave spare keys (even hidden) out on your property. Make sure all windows and doors are locked (and set your alarm if you have one) before you leave.

Do call West Suburban Central Dispatch Center (708-366-7125) to ensure they have correct information tied to your address for who should be contacted in an emergency, including yourself and any other "keyholders".

Don't leave interior lights on for your entire time away, as it wastes energy and is not a deterrent if it is obvious that no one is home to turn off the lights.

Do invest in a plug-in programmable timer switch to turn select lights on and off. These are available at hardware and department stores for \$5-\$20. You can use more than one switch to change which lights are on at different times.

Don't let mail or newspapers pile up in front of your home.

Do ask a friend or neighbor to collect them for you, or contact the post office and/or newspaper to stop delivery during your time away.

Don't broadcast the fact that your house will be vacant for an extended period. Be careful about what you and your family share on public forums like Facebook or other social media that would let strangers know you will be away.

Do let the River Forest Police Department know you will be out of town. We will be happy to conduct a "vacation watch" of your home. Please include dates you will be away, and also let us know who if someone will be checking on your house so we know they are ok if we find them there.

Feel free to contact Crime Prevention Officer Glen Czernik

via [email](#) or by phone at 708-714-3543 with any questions.

Keep the Wreath Red

As we approach the holiday season, the Village of River Forest Fire Department would like to remind you to keep your holiday safe and happy. The Fire Department will once again team up with the Illinois Fire Chiefs Association and neighboring fire departments in the "Keep the Wreath Red" program. This year, the program will run from Thanksgiving Day, Thursday, November 24, 2016 through Sunday, January 8, 2017.

"Keep the Wreath Red" is a holiday fire safety program designed to increase fire safety awareness. In the event of a holiday-related fire, firefighters will replace one of the red bulbs with a white one. The goal is to keep the bulbs on that wreath red.

For full information, [click here](#) for the press release and look for the River Forest Red Wreath!

Know the Code!

With snow on its way the Village would like to remind you:

- Village code requires residents and business owners to remove snow and ice from sidewalks in front of and adjacent to their property within 24 hours after an event.
- Snow or ice frozen on sidewalks that cannot be removed without injury to the pavement should be treated with an abrasive material until weather permits further clean-up.
- Parking on Village streets is prohibited after snow exceeds two inches in depth, and for an eight hour period following the cessation of the snowfall.
- Snow removal contractors are prohibited from using snow blowers between the hours of 1 a.m. and 5 a.m.
- The placement of snow or ice on any Village owned street, alley or sidewalk is prohibited.

Message from School District 90 - Town Hall Forum

The entire District 90 community is invited to a Town Hall Forum on Tuesday, December 6 at 7:00 PM. at Roosevelt Middle School, 7560 Oak Avenue. The normally scheduled Committee of the Whole Meeting will be reorganized into the Town Hall format. The topic of discussion will be the "Student Achievement Report and Assessment in District 90." The Town Hall Forum will include a briefing about the role and types of assessments used in District 90. Information will be provided on how to interpret results, how to remain engaged with teachers and schools, and how to help students' social and emotional development. Please bring your questions and a friend. We hope to see you there!

Message from OPRFHS District 200 - Post-Referendum Update

On Election Day, Oak Park and River Forest residents voted down a bond issue of up to \$25 million by Oak Park and River Forest

High School District 200. According to results posted by the Cook County Board of Elections, out of 35,674 ballots cast, those opposed to the bond issue prevailed by a margin of 30 votes, 0.08%. The bonds were intended to help fund a facilities plan that included adding and improving classroom space, replacing the school's two 88-year-old pools and mitigating health and safety issues in boys locker rooms. With the failure of the referendum, many community members have asked, what's next? As the Board stated in a Sept. 22, 2016, resolution, it did not endorse any alternative plan and does not intend to pursue previously considered options to rebuild the existing pools in their current locations. The administration will come back to the Dec. 13 Special Board meeting with suggestions on a process for moving forward.
