STUDENT APPLICATION SUSTAINABILITY COMMISSION

Thank you for your interest in the River Forest Sustainability Commission. This position is a one-year commitment and open to any high school or college student attending a school in the Villages of River Forest or Oak Park. The student will attend monthly meetings in the evening from approximately 7:00pm-9:00pm. In addition, the student may need to do research, communicate via email, and attend meetings outside of regularly scheduled meetings. This position will also require the student to act as a liaison to their school, especially student environmental groups. The position will be a non-voting position on the Commission.

Please note: If the selected applicant is under 18 years old at the time of appointment, the Student Commissioner must submit a Waiver, Assumption of Risk and Hold Harmless form, signed by the Student Commissioner and his/her parents and/or guardians. This form is available from the Village upon appointment and must be completed prior to participating in meetings or events.
