Service Call	10	4.12%
Special Incident	18	7.41%
Total	243	100.00%

Fire Prevention Bureau

October 2025

Prepared by: Fire Marshal Kevin Wiley

3 fire drills at schools

October is always one of the busiest months for the Fire Prevention Bureau and this October lived up to that billing.

Fire Prevention Week occurred during the week of October 5, through October 11, 2025. In a move away from the norm, we again held our Fire Department Open House back in September, September 20th to be exact. You can read about the events of the day in the September Report. In summary, we had an awesome day with the weather being warm and dry. We estimated over 450 people came through the Firehouse over the course of the event. The 2025 Fire Prevention Week campaign slogan was "Charge Into Fire Safety, Lithium-ion Batteries in Your Home". The campaign slogan strives to educate everyone about the importance of properly charging all electronic devices in the home.

Chief Gaertner, Deputy Chief Bochenek, Renee and I attended the annual Fire Prevention Luncheon sponsored by The Illinois Fire Safety Alliance (IFSA). Awards were presented to several recipients who excelled in their fire prevention efforts during the last year. The IFSA sponsors the annual Burn Camp for children who have received burns and spend at least one week in a hospital burn unit in Illinois.

October is the month we wrap up our annual Safety Assemblies in all the elementary schools. We presented six assemblies in October to round out the year with 13 Safety Assemblies. As described last month, we have changed our name to The River Forest Community Safety Team or RFCST for short. Our presentations consist of age-appropriate material that gets ramped up every year with more content on all of the subject matter. We go into all the Pre-Kindergarten through 4th grade assemblies in each of the public and private schools and teach Fire Safety, Gun Safety, Street Crossing Safety, Bike Riding Safety as well as talk about Community Helpers who the students can rely upon for help if needed. The assemblies are very fun to present, and the students love to have that LIVE interaction with all the presenters. In all, we presented safety information to 1089 students and teachers on the various safety topics. Unfortunately, we are conducting the safety assemblies with only RFPD Ofc. Megan Drake and myself. We lost the coordinators position in a budget cut from the River Forest Township. Since Megan and I are already working, we will continue to present the safety assemblies to all schools in town. We feel that the program is extremely important to the safety of all the kids, who in turn take our information back to their families to discuss. We also receive so much positive feedback on how much the kids remember from year to year.

We teamed up again this year with The River Forest Library to present a Touch-A-Truck event where 130 kids and 130 Adults were able to come and spent some time looking at and "touching" the fire trucks. The RF Police Department and Public Works department also sent a couple of vehicles. A touch a truck event also makes for a great photoshoot. Unfortunately, the Fire Department had a call during the event, but the kids and adults still enjoyed their time and were able to see what the firefighters need to put on before they can respond to a fire.

I held two school fire drills and two condominium building fire drills in October. I usually get a couple requests for building fire drills at various times of the year. I was very pleased with the results of the drill and the building residents responded and took the drills seriously. One resident thought enough about the drill that he wrote an Op-ed article that appeared in the Wednesday Journal the following week.

As in every October, the month ended with Halloween. I spent some time putting Halloween Safety Flyers together for the Village Hall lobby as well as the monthly E-Newsletter, the Fire Departments social media accounts on Facebook and Instagram and Village website.

The last item in my monthly report is a summary of activities that do not fit in any other category such as, hydrant flows for sprinkler companies, servicing a Knox Box, public education flyers, and picking up and/or dropping off vehicles for service among others. These activities may not be difficult but do take up time that I like to account for.

Emergency Medical Services Monthly Report

October 2025

Prepared by: FFPM Lucas Finrock

Executive Summary

The River Forest Fire Department responded to 123 total EMS calls during October 2025, maintaining our commitment to providing quality emergency medical services to our community.

Transport Summary

Ambulance 214 Activity:

- 105 patients treated and transported to medical facilities
- 17 patients refused treatment/transport after fire department evaluation
- 1 patient DOA
- 0 calls for lift assistance only

Total Response Rate: 123 calls handled with 85% requiring transport to medical facilities

Special Transport Locations:

- 800 N. Harlem: 25 patients
- 7617 North Ave: 10 patients

Hospital Transport Breakdown

Primary Destinations (105 Total Transports):

- Rush Oak Park Hospital: 82 patients (78%)
- Gottlieb Memorial Hospital: 12 patients (11%)
- Loyola University Medical Center: 10 patients (10%)
- West Suburban Hospital: 1 patient (1%)
- Hines VA: 0 patients
- MacNeal: 0 patients

Top Call Types

Most Frequent Incidents:

- Sick Person: 40 calls (33% of total)
- Fall: 29 calls (24% of total)
- Traffic Accident: 12 calls (10% of total)
- Unconscious/Unresponsive: 6 calls (5% of total)
- Behavioral/Psych: 5 calls (4% of total)
- Traumatic Injury: 5 calls (4% of total)
- Chest Pain: 4 calls (3% of total)
- No Complaint: 4 calls (3% of total)
- General Aches/Pain: 3 calls (2% of total)

Zero-Incident Categories

No calls were received for: Abdominal Pain, Allergic Reaction, Animal Bites, Burns, Choking, CO Poisoning, Diabetic Problems, Electrocution, Opioid Overdose, Pregnancy, Traumatic Arrest, or Unknown Problems.

Key Performance Indicators

- **Average Daily Call Volume:** 4.0 calls per day
- **Transport Success Rate:** 85% of all calls resulted in patient transport
- **Community Service:** 0 lift assists provided to residents
- **Mutual Aid Contribution:** 14 responses to neighboring communities

This data demonstrates our department's continued commitment to providing comprehensive emergency medical services while supporting regional mutual aid operations. October showed a 4% decrease in total calls compared to September, with improved transport rates and continued mutual aid support.
