Position Opening

Public Works Maintenance Worker I/II

The Village of River Forest seeks qualified applicants for the full-time position of Maintenance Worker I/II in the Public Works Department. This position performs a full range of public works duties, including operating construction equipment and trucks in the care, maintenance, and repair of streets, sewers, the water distribution system, rights-of-way, facilities, and the Village's urban forest. Additionally, this position performs snow removal and other snow and ice control duties.

This position requires availability for emergency duty during off-hours in a variety of environmental conditions throughout the year and the ability to adapt to changing work assignments on a seasonal or daily basis. The nature of the position will require the ability to exercise sound judgment, a desire to provide superior customer service, and perform work according to standard safety procedures and regulations.

Minimum Qualifications (Education & Experience)

- Minimum of a high school degree or GED
- Previous experience in urban forestry maintenance, street repairs, construction, facility maintenance, sewer maintenance, or a related field
- Possession of a valid Class B Commercial Driver's License (CDL) with air brakes endorsement or the ability to obtain a CDL within six (6) months of hire.
- An equivalent combination of training, experience, or field certifications related to the work performed which produces the competencies desired for the position will be considered.

Additional Preferred Qualifications (Education & Experience)

- Knowledge of the operation and maintenance of a public water supply, including the principles, practices, and chemical processes used in a potable water system, is preferred.
- Knowledge of computer systems such as Microsoft Office products and SCADA systems is preferred.
- Possession of a Class C or Class D Illinois Public Water Operators License is preferred.
