## RESOLUTION NO. 26-\_\_

### A RESOLUTION DESIGNATING THE MONTH OF JUNE AS LGBTQ+ PRIDE MONTH

**WHEREAS**, the Village of River Forest supports the rights of every citizen to experience equality and freedom from discrimination; and

**WHEREAS**, all people, regardless of age, gender identity, race, color, religion, marital status, national origin, sexual orientation, or disabilities have the right to be treated on the basis of their intrinsic value as human beings; and

**WHEREAS**, the Village of River Forest accepts and welcomes people of diverse backgrounds and believes a diverse population leads to a more vibrant community; and

**WHEREAS**, the Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ+) communities contribute to the cultural, civic and economic successes of the Village of River Forest; and

**WHEREAS**, while we as a society at large are slowly embracing new definitions of sexuality and gender, we must also acknowledge that the need for education and awareness remains vital to end discrimination and prejudice; and

**WHEREAS**, we encourage our residents to reflect on the ongoing struggle for equality that members of the LGBTQ+ community face and celebrate the contributions that enhance our Village; and

**NOW, THEREFORE, BE IT RESOLVED THAT**, the Village President and Board of Trustees hereby recognize the month of June and commemorate, honor and indicate support for LGBTQ+ Pride Month. As an expression of such commemoration and honor, and to demonstrate the Village's support for LGBTQ+ Pride, Village staff are directed to fly the Progress Pride Flag as flown in 2025 on the Second Village flagpole outside of Village Hall for a period commencing on June 1<sup>st</sup>, 2026, and ending on July 1<sup>st</sup>, 2026.

**IN WITNESS THEREOF**, I have hereto set my hand officially and caused to be affixed the seal of the Village of River Forest, this 11<sup>th</sup> day of May, 2026.

## RESOLUTION NO. 26-\_\_

### A RESOLUTION DESIGNATING JUNE 19<sup>TH</sup>, 2026 AS JUNETEENTH

**WHEREAS**, on June 19th, 1865, Union soldiers landed on the shores of Galveston, Texas, to declare the Civil War had ended and all those enslaved in the Confederate territory were now free; and

**WHEREAS**, although President Abraham Lincoln's Emancipation Proclamation, signed on January 1, 1863, had been issued more than two years prior, the news had not reached Texas until General Gordon Granger announced: "The people of Texas are informed that, in accordance with a proclamation of the Executive of the United States, all slaves are free." ;and

**WHEREAS**, Celebration of the end of slavery, which became known as Juneteenth, is one of the oldest American holidays and has historically been a time of prayer, reflection, and family reunification; and

**WHEREAS**, Juneteenth also celebrates the achievements preserved through the pre and post Middle Passage, the slave trade, the emancipation era, the Civil Rights Movement, as well as current accomplishments of African American cultural expression; and

**NOW, THEREFORE, BE IT RESOLVED THAT** the Village President and Board of Trustees hereby recognize Juneteenth and commemorate, honor and indicate support for Juneteenth. As an expression of such commemoration and honor, and to demonstrate the Village's support for Juneteenth, Village staff are directed to fly the Juneteenth Flag on the Second Village flagpole outside of Village Hall for a period commencing on June 2<sup>nd</sup>, 2026 and ending on July 1st, 2026.

**IN WITNESS THEREOF**, I have hereto set my hand officially and caused to be affixed the seal of the Village of River Forest, this 11<sup>th</sup> day of May 2026.

## PROCLAMATION DESIGNATING MAY 10-16, 2026, AS NATIONAL POLICE WEEK

**WHEREAS**, law enforcement officers serve with courage, integrity, and dedication to protect the lives, property, and constitutional rights of all residents, thereby contributing to the safety, stability, and well-being of the community; and,

**WHEREAS**, these essential services are carried out by highly trained professionals who respond to emergencies, prevent crime, enforce laws, and build trust through community engagement, often at great personal risk; and,

**WHEREAS**, it is fitting and proper that the residents, civic leaders, and youth of the Village of River Forest recognize and maintain an ongoing understanding of the vital role law enforcement plays in safeguarding our community and upholding justice; and,

**WHEREAS**, National Police Week provides an opportunity to honor the service and sacrifice of law enforcement officers, including those who have given their lives in the line of duty, and to express gratitude to those who continue to serve with distinction,

**NOW, THEREFORE, I, CATHERINE ADDUCI**, President of the Village of River Forest, do hereby designate the week of May 10–16, 2026, as National Police Week in the Village of River Forest. I urge all residents to join in honoring our law enforcement officers through appropriate ceremonies, activities, and expressions of appreciation for their unwavering commitment to public safety.

**IN WITNESS WHEREOF**, I have hereunto set my hand and caused the seal of the Village of River Forest to be affixed this 11th day of May 2026.

Catherine Adduci, Village President

## PROCLAMATION DESIGNATING MAY 17 – 23, 2026 AS NATIONAL PUBLIC WORKS WEEK

**WHEREAS**, public works professionals focus on infrastructure, facilities, and services that are of vital importance to sustainable and resilient communities and to the public health, high quality of life, and well-being of the people of River Forest; and,

**WHEREAS**, these infrastructure, facilities, and services could not be provided without the dedicated efforts of public works professionals, who are engineers, managers, and employees at all levels of government and the private sector, who are responsible for rebuilding, improving, and protecting our nation's transportation, water supply, water treatment and solid waste systems, public buildings, and other structures and facilities essential for our citizens; and,

**WHEREAS**, it is in the public interest for the citizens, civic leaders, and children in the Village of River Forest to gain knowledge of and maintain an ongoing interest and understanding of the importance of public works and public works programs in their respective communities; and,

**WHEREAS**, the year 2026 marks the 66th annual National Public Works Week sponsored by the American Public Works Association/Canadian Public Works Association be it now,

**NOW, THEREFORE, I, CATHERINE ADDUCI**, President of the Village of River Forest, do hereby designate the week May 17–23, 2026, as National Public Works Week. I urge all citizens to join with representatives of the American Public Works Association and government agencies in activities, events, and ceremonies designed to pay tribute to our public works professionals, engineers, managers, and employees and to recognize the substantial contributions they make to protecting our national health, safety, and advancing quality of life for all.

**IN WITNESS, THEREOF**, I have hereto set my hand officially and caused to be affixed the seal of the Village of River Forest, this 11<sup>th</sup> day of May 2026.

## DEPARTMENT MEMORANDUM

---

TO: Matthew Walsh – Village Administrator

FROM: James Greenwood – Chief of Police

DATE: 5/11/2026

SUBJECT: FY2027 Avigilon Street Camera Server Replacement

---

**Issue:** The Village currently has a combination of Pan-Tilt-Zoom (PTZ) and Multi-Head (MH) digital cameras located along the business corridor on Lake Street and throughout the Village in addition to fixed cameras in and around Village Hall. The camera system is supported by software, servers, modems and a wireless antenna system. All recorded videos are sent to servers in Village Hall and intended to be stored for a minimum of 90 days. Currently, the Village has (3) three servers managing the influx of data, (2) two of which have reached the end of their service life and need to be replaced to effectively manage and store the video data.

**Analysis:** For FY2027, the Village Capital Improvement Plan accounts for \$243,500 in funding to maintain and update the camera system's reliability and to support long-term operational needs. To this end, police staff and our vendor, Griffon Systems, have conducted a data storage analysis and concluded that replacing the (3) three above-mentioned older servers over the next (3) three years with (2) larger servers would sufficiently serve the needs of the police camera system. The proposed server replacement for FY2027 is an Avigilon 200GB NVR6 server sold via Griffon Systems, who is our current sole source surveillance camera provider and service manager of our existing system. This purchase will allow for more than 90-day storage minimum and extend the life of the existing data storage system for the next 5 to 8 years. The second new server replacement is scheduled for FY2030 and is on a projected six-year replacement schedule.

**Costs:** The proposed server replacement is an Avigilon 200GB NVR6 server sold via Griffon Systems, who is our current sole source surveillance camera provider and service manager of our existing system. The total cost for the server is \$80,000.

**Recommendation:** Motion to authorize the purchase of (1) Avigilon 200GB NVR6 server as quoted, in the amount of \$80,000, which will be funded by FY2027 CIP.

**Attachment:** Griffon Systems service agreement.

## DEPARTMENT MEMORANDUM

TO: **Matt Walsh – Village Administrator**

FROM: **James Greenwood – Chief of Police**

DATE: **5/11/2026**

SUBJECT: **Authorization to Purchase Police Vehicles via CIP**

**Issue:** The Village's FY27 budget includes \$134,180 in the Capital Equipment Replacement Fund allocated for the purchase of one (1) marked police front line squad car and one (1) unmarked detective vehicle, both of which include the purchase of the vehicles as well as police specific up-fitting and emergency equipment.

**Analysis:** We are recommending the purchase of (2) 2026 Dodge Durango Police Pursuit Vehicles which are all-wheel drive (AWD) and will continue to allow versatility in inclement weather conditions. Both vehicles will be equipped with emergency lights and capable of carrying a myriad of specialized first responder, investigatory and emergency related equipment.

Staff researched the limited available stock of police rated vehicles, which are generally not part of locally relied upon purchasing contracts. Staff located an open order block at Thomas Dodge who is offering the Dodge Durango Police Pursuit vehicles at a discounted law enforcement rate pursuant to the Southwest Conference of Mayors. Thomas Dodge is a long time and preferred police vehicle dealer for the Village.

Therefore, staff is seeking authorization to purchase, equip, and up-fit (2) 2026 Dodge Durango Police Pursuit Vehicles which are all-wheel drive (AWD) at a price of \$44,168 for the patrol vehicle and \$43,300 for the detective vehicle. The remaining budgeted FY27 CERF vehicle purchase balance for these units will be used for the purchase of specialized police emergency vehicle equipment and up-fitting labor. The up-fitting and specialized equipment will be purchased and installed upon taking delivery of the vehicle.

**Recommendation:** If the Village Board wishes to approve the authorization to purchase the above-mentioned vehicle, the following motion would be appropriate:

**Motion to authorize the purchase of vehicles, equipment and up-fitting for one (1) 2026 Dodge Durango Police patrol unit and one (1) 2026 Dodge Durango police detective unit at a total price of \$134,180, using the full allotted FY27 budgeted CIP amount.**

## DEPARTMENT MEMORANDUM

TO: Matthew Walsh – Village Administrator

FROM: James Greenwood – Chief of Police

DATE: 5/11/2026

SUBJECT: **Authorization for the Purchase and Installation of New Lockers for the Men’s Police Locker Room**

**Issue:** The Village Hall and Police Department were built in 1998. Since then, the police locker rooms have retained the original materials and equipment installed at that time. These spaces are used for equipment storage and serve as changing areas for officers before and after their shifts. However, they are now outdated and no longer adequately serve their intended purpose.

**Analysis:** The police locker rooms are in need of new lockers, as the current units are in disrepair and lack sufficient storage space for officers. With the increase in essential gear required for daily duties, the existing storage no longer meets operational needs. Upgrading these facilities will enhance the department’s overall efficiency and day-to-day operations. Renovating this ageing infrastructure will significantly improve working conditions and have a positive impact on employee morale and the overall work environment for all department members. The women’s locker room was renovated with new lockers in FY26.

The new lockers include:

- Twenty-five (25) new 30” W x 37-1/8” D x 72” H lockers specifically designed for law enforcement.
- Two (2) new ADA complainant 30” W x 24” D x 72” H lockers specifically designed for law enforcement.

**Costs:** Bradford Systems is the chosen vendor for this project and was selected for women’s locker room renovation in FY26. Bradford Systems routinely works with public safety agencies and are an industry leader for police related fixtures. Bradford Systems is a qualified Sourcewell provider (Contract #121919-KII) that has been vetted.

The total cost for the lockers is \$86,160.00. This includes materials, installation and delivery. Lifetime warranty is included.

**Recommendation:** Motion to approve the purchase and installation of lockers for the Police Department’s men’s locker room, in an amount not to exceed \$86,190.

**Attachment:** Bradford Systems Service Agreement

2. **ENGINEERING:** The proposal drawings and/or specifications of any quotation are confidential engineering data, and represent Bradford Systems Corporation investment in engineering skill and development, and remain the property of Bradford Systems Corporation. Such are submitted with the understanding that the information will not be disclosed or used in any manner detrimental to Bradford Systems Corporation. All specifications and dimensions of proposal drawings are approximate, and are subject to changes during detailed engineering.
3. **SURVEYS, PERMITS AND REGULATIONS:** Buyer shall procure and pay for all permits and/or inspections required by any governmental authority for any part of the work performed by Bradford Systems Corporation, except as otherwise stated.
4. **PAYMENT:** This system has been specially designed and will be specially manufactured for the Buyers unique requirements. A non-refundable down payment of one-third (1/3) of the contract is due upon order. A payment of 1/3 is due upon shipment and 1/3 payment upon completion. One and one-half (1-1/2) percent interest per month will be charged on any unpaid balance after thirty (30) days. If the installation is not entirely complete upon final invoicing, a holdback of reasonable value is allowed without incurring interest charges. A 4% convenience fee will be applied to all orders paid with a credit card.
5. **TAXES:** All applicable sales taxes, as required by law, will be billed, unless Bradford Systems Corporation has a current Tax Exempt Letter or Resale Certificate on file.
6. **EXPIRATION DATE:** Pricing is valid for thirty (30) days. After thirty days, a new proposal and revised pricing may be required.
7. **CANCELLATION:** On all canceled orders, Buyer shall compensate Bradford Systems Corporation for its performance, commitments and damage as follows; Buyer shall pay Bradford Systems Corporation a cancellation fee not to exceed the original purchase price.
8. **CHANGE ORDERS:** Should the Buyer order changes or additions to the work, such orders and adjustments shall be made in writing to Bradford Systems Corporation utilizing Bradford's formal change order document. The contract price and installation/delivery fees shall be adjusted according to the changes in the work specified in the change order.
9. **INSURANCE:** Bradford Systems Corporation's employees who enter Buyer's premises will have Workmen's Compensation coverage in statutory limits and Bradford Systems Corporation's automobiles will be covered by Public Liability and Property Damage Insurance.
10. **DELIVERY:** Installation or delivery date is approximate. Bradford Systems Corporation shall not be liable for delays in or failures of delivery due to changes requested by Buyer, or causes beyond its control. If shipment is delayed at the request of Buyer, payment shall be made by Buyer as though shipment had been made as specified and for any expenses incurred by Bradford due to Buyer's request in delaying shipment.
11. **STORAGE:** If product is stored for more than thirty (30) days at Bradford Systems Corporation due to delays in delivery caused by buyer, Bradford will charge buyer at the rate of 1% of buyer's invoice per month pro-rated daily.
12. **DAMAGE:** After product arrival at site, any loss or damage by weather, other trades, fire or other elements, shall be the responsibility of the Buyer. The Buyer agrees to hold Bradford System Corporation harmless for loss for such reasons.
13. **BUYER RECEIVING:** If the Buyer receives product for any reason, the Buyer is responsible for checking the product during off-load and noting on the packing slip any damage or possible damage and notifying Bradford Systems Corporation immediately. If Bradford does not receive a written notice and copy of the packing slip within twenty-four (24) hours, the Buyer agrees to pay any additional replacement product and delivery costs if a freight claim cannot be awarded.
14. **SITE CONDITIONS:** Buyer shall provide Bradford Systems Corporation with a free and clear construction site. Buyer shall remove all material and/or construction from the area. Buyer will furnish Bradford with adequate electrical power to operate tools required for the installation.
15. **UNLOADING, SPOTTING AND STORAGE:** Buyer shall provide Bradford Systems Corporation with adequate unloading facilities and sufficient access to same to insure Bradford's efficient unloading procedure. Adequate aisles shall be provided by the Buyer to provide efficient handling of the materials from the unloading of storage area to construction site.

16. COMMENCEMENT OF INSTALLATION: Bradford Systems Corporation will not be obligated to commence work at job site until receipt of written notice from Buyer that Buyer's building is ready for use and necessary utilities and equipment are supplied thereto.
17. COMPLETION: Installation shall be deemed completed upon acceptance or use of any equipment by Buyer.
18. OVERTIME: This agreement is based on a normal eight hour working day Monday through Friday and no provisions have been made for overtime or shift premium pay. If overtime is required, additional costs will be incurred.
19. TESTING: All material and equipment for testing the installation shall be provided at Buyer's expense. At the time when Bradford Systems Corporation states to the Buyer that the work is complete, the Buyer will inspect the work and if the work is in conformity with the terms and provisions of the proposal, the Buyer shall accept the same and deliver to Bradford a signed statement of acceptance. If the Buyer declines to sign such a statement, then the Buyer shall immediately inform Bradford in writing of the reasons for such declination. If the Buyer fails to so notify Bradford of if the Buyer fails to make such inspection the work shall be conclusively deemed to have been accepted by the Buyer.

**PROJECT TERMS AND CONDITIONS**

1. FLOOR COVERING: If Bradford Systems Corporation is not the contractor for the installation of the floor covering, Buyer's floor covering contractor is responsible for coordinating floor covering installation after Bradford installs system rail and floor.
2. FLOOR LOADING: Buyer is responsible for the load bearing capacity of the floor upon which the proposed installation shall be constructed. Floor load data that applies to the project is subject to interpretation by a certified structural engineer. BSC is providing reference data for determining load and distribution conditions. Floor load and considerations are to be reviewed and evaluated by a qualified engineer. It is the responsibility of client to have this system approved for the floor loading if needed. If media weight is unknown; we recommend a sample weight be verified in the field.
3. FLOOR DRILLING: Buyer is responsible to notify Bradford Systems Corporation of any electrical or other obstructions located in the floor and Buyer is responsible for relocating said obstructions at Buyer's expense. Anchoring and/or hammer drilling may be required to which it is the Buyers responsibility to notify Bradford if there are any building restrictions on when this work may be performed.
4. SEISMIC: Buyer is responsible for determining if a seismic evaluation is necessary at which Bradford Systems Corporation will provide all equipment information for a seismic evaluation by an engineer if applicable.
5. FIRE CODE: Fire code typically requires an 18" minimum clearance between installed height of shelving system and any sprinkler system. It is the Buyer's responsibility to verify that the proposed shelving system height meets this requirement prior to the placement of purchase order.
6. SPACESAVER WARRANTY: A 5-year standard warranty and 1-year scheduled maintenance are included with your installation. Extended warranty and maintenance agreements are available upon request.
7. SPACESAVER SYSTEM TRAINING & ORIENTATION: Bradford Systems Corporation offers training to all potential users to insure safe and efficient system operation upon the Buyer's request.

## MEMORANDUM

DATE: May 11, 2026

TO: Matthew Walsh  
Village Administrator

FROM: Thomas Gaertner  
Fire Chief

SUBJECT: LUCAS Device Purchase

**Issue:** The Fire Departments currently has one (1) LUCAS CPR Device on our front-line ambulance. When the ambulance is out on a call there is no second LUCAS Device available if another call comes in.

**Analysis:** This purchase would put a second LUCAS CPR Device on to our front-line ALS Fire Engine. This would make this device available if CPR is needed when the ambulance is not available. As you may recall we have had many successful outcomes since placing LUCAS Device in service three years ago, helping save over a dozen lives in River Forest and surrounding neighborhoods. This device provides consistent high-quality chest compressions at recommended rate and depth with fewer interruptions than manual CPR. This helps provide increased blood flow to the brain thus increasing the chance of survival with favorable neurologic out-comes.

**Costs:** Total cost to the village is \$20,395.00 which was included in the FY 2027 CIP.

**Recommendation:** Motion to approve the purchase of one (1) LUCAS Chest Compression System from Stryker Medical Equipment, not to exceed \$20,395.00.

## MEMORANDUM

**DATE:** May 11, 2026

**TO:** Matt Walsh, Village Administrator

**FROM:** Jack Bielak, Director of Public Works & Engineering  
Brian Skoczek, Superintendent of Operations

**SUBJECT:** Purchase of Water Valve Operating Equipment

---

**Issue:** The FY 2027 approved budget includes \$46,350 for the purchase of water valve operating equipment. The Village's existing valve operator is used to exercise water main valves to ensure they remain in good working condition. Valves that are not exercised regularly can freeze or seize, potentially preventing them from closing properly during a water shut-off. The Village maintains approximately 390 valves within its water distribution system and follows a four-year exercising cycle. Reliable valve operation is critical during water main break repairs, and timely shut-offs help minimize disruptions to residents and businesses.

**Analysis:** The current valve operator, purchased in 2016, has reached the end of its useful life. Staff evaluated several replacement options and determined that a trailer-mounted, self-contained valve operating unit would best meet operational needs. This type of equipment can be towed by multiple trucks, increasing flexibility and efficiency.

Staff is recommending the Compact LX – VMT single-turner valve maintenance trailer. The unit includes a Wachs 750 ft/lb (1020 Nm) extended-reach valve operator suitable for preventive maintenance activities, a telescoping valve key, and the ruggedized Wachs TC-100 with GPS controller/datalogger. It is configured to fit all valves in the Village's system and provides more than adequate torque for exercising. Staff conducted reference checks, which were positive, and arranged an on-site demonstration. Public Works personnel found the equipment's performance to be highly satisfactory. A sole source letter was provided by the manufacturer confirming that this piece of equipment is available from only one authorized source. This documentation is provided when competitive bidding is not feasible because no alternative suppliers can provide an equivalent product. This allows the Village to procure the necessary equipment while remaining in compliance with purchasing policies and audit requirements.

**Recommendation:** Concur with Staff recommendation to purchase the Compact LX – VMT single-turner valve maintenance trailer from Wachs Utility Products for \$45,749.

**FROM:** Jack Bielak, Director of Public Works & Engineering  
Brian Skoczek, Superintendent of Operations

**SUBJECT:** Purchase of an Asphalt Kettle

---

**Issue:** The FY 2027 approved budget includes \$55,200 for the purchase of a new Asphalt Kettle. The Village's existing asphalt kettle is used for roadway maintenance to minimize traffic disruption and slow the deterioration of our roadways. Proactive maintenance reduces the need for costly full roadway reconstruction, which is significantly more expensive and disruptive than scheduled upkeep. Well-maintained streets improve safety for motorists, cyclists, and pedestrians, support efficient travel, and enhance the overall appearance and functionality of the community.

**Analysis:** Our current asphalt kettle was purchased in 2007. It was scheduled to be replaced in FY 2023 and has been deferred a few years but has reached the end of its useful life. Staff evaluated several replacement options and determined that the MODEL SPH-2.0 GRAVITY DISCHARGE HOT BOX would best meet operational needs. This type of equipment is Gravity Fed and Includes a Diesel Burner with Auto Temp Controls, 30 Gallon Diesel Fuel Tank, Electric Brakes, and a 2 Light System.

Staff is recommending the MODEL SPH-2.0 GRAVITY DISCHARGE HOT BOX. Having an asphalt kettle available in-house allows Public Works to address roadway cracks and localized pavement failures quickly, reducing the need for more extensive repairs and avoiding higher long-term costs. It also provides greater flexibility in scheduling maintenance work around weather conditions and operational priorities. This purchase is being made through a Sourcewell cooperative purchasing contract, which allows the Village to take advantage of competitively bid pricing without conducting a separate formal bid process. Sourcewell contracts are publicly solicited and awarded in compliance with national procurement standards, ensuring compliance with purchasing requirements.

**Recommendation:** Concur with Staff recommendation to purchase the MODEL SPH-2.0 GRAVITY DISCHARGE HOT BOX from Brown Equipment Company for \$50,211.20.

## TERMS AND CONDITIONS

- 1. ACCEPTANCE.** This quotation is an offer to sell products (equipment and/or parts) and/or service to potential customer(s). BUYER'S RIGHT TO ACCEPT THIS OFFER IS LIMITED TO BUYER'S ASSENT TO THE TERMS AND CONDITIONS PRINTED HEREON AND THE ATTACHED OR ACCOMPANYING QUOTE, AND NO TERMS ADDITIONAL TO OR DIFFERENT FROM THOSE IN THIS OFFER ARE BINDING ON SELLER. THERE ARE NO UNDERSTANDINGS, TERMS, CONDITIONS OF WARRANTIES NOT FULLY EXPRESSED HEREIN.
- 2. LIMITED WARRANTIES.** Seller warrants that it can convey good title to the goods sold under this contract and that they are free of liens and encumbrances. Warranties are per manufacturer's written warranty or unless specified. There are no warranties, express or implied with respect to products sold hereunder which are misused, abused, or used in conjunction with mechanical equipment improperly designed, used or maintained or which are used, supplied for use or made available for use in any nuclear application of which Seller has not been notified in writing by Buyer at the time of order for the products sold hereunder. SELLER MAKES NO OTHER WARRANTY WHATSOEVER, EXPRESS OR IMPLIED. ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND ALL IMPLIED WARRANTIES OF FITNESS FOR ANY PARTICULAR PURPOSE ARE DISCLAIMED BY SELLER AND EXCLUDED FROM THIS CONTRACT.
- 3. LIMITATION OF BUYER'S REMEDIES AND SELLER'S LIABILITY.** Seller's liability hereunder shall be limited to the obligation to repair or replace only those products proven to have been defective in material or workmanship at the time of delivery, or allow credit, at its option. Seller's total cumulative liability in any way arising from or pertaining to any product sold or required to be sold under this contract shall NOT in any case exceed the purchase price paid by Buyer for such products. IN NO EVENT SHALL SELLER HAVE ANY LIABILITY FOR COMMERCIAL LOSS, LOST PROFITS, CLAIMS FOR LABOR, OR CONSEQUENTIAL OR INCIDENTAL DAMAGES OF ANY TYPE, WHETHER BUYER'S CLAIM BE BASED IN CONTRACT, TORT, WARRANTY, STRICT LIABILITY, NEGLIGENCE, OR OTHERWISE. IT IS EXPRESSLY AGREED THAT BUYER'S REMEDIES EXPRESSED IN THIS PARAGRAPH ARE BUYER'S SOLE AND EXCLUSIVE REMEDIES.
- 4. LIMITATION OF BUYER'S REMEDIES AND SELLER'S LIABILITY FOR FAILURE OR DELAY IN DELIVERY.** NO DELIVERY DATES ARE GUARANTEED. BUYER'S SOLE AND EXCLUSIVE REMEDIES AND SELLER'S ONLY LIABILITY FOR ANY DELAY IN DELIVERY SHALL BE LIMITED AS SET FORTH IN PARAGRAPH 3 OF THIS CONTRACT.
- 5. FORCE MAJEURE.** In any event and in addition to all other limitations stated herein, Seller shall not be liable for any act, omission, result or consequence, including but not limited to any delay in delivery or performance, which is (i) due to any act of God, the performance of any government order, any order bearing priority rating or order placed under any allocation program (mandatory or voluntary) established pursuant to law, local labor shortage, fire, flood or other casualty, governmental regulation or requirement, shortage or failure of raw material, supply, fuel, power or transportation, breakdown of equipment, or any cause beyond Seller's reasonable control whether of similar or dissimilar nature to those above enumerated, or (ii) due to any strike, labor dispute, or difference with workers, regardless of whether or not Seller's is capable of settling any such labor problem.
- 6. BUYER'S OBLIGATION TO PASS ON LIMITATION OR WARRANTIES AND REMEDIES.** In order to protect Seller against claims by Buyer's buyer, if Buyer resells any of the goods purchased under this agreement, Buyer shall include the language contained in paragraphs 2 and 3 of this agreement, dealing with Seller's limitations of warranties and remedies, in an enforceable agreement with Buyer's buyer, or otherwise include language in an enforceable agreement with its buyer that makes Seller's limitation of warranties and remedies binding on its buyer. Buyer shall also include a provision in its agreement with its buyer applying Indiana law to any claims its buyer might assert against Seller with respect to goods repaired, manufactured or sold by Seller, and requiring its buyer to bring any such action against Seller either in federal district court in Evansville, IN or the common pleas court for Vanderburgh County, Indiana. Buyer shall defend, indemnify and hold Seller harmless from any and all claims, causes of action, damages, losses or expenses (including reasonable attorneys' fees) that Seller incurs by reason of Buyer's failure to comply with this paragraph.
- 7. PASSAGE OF TITLE.** Except with respect to title for vehicles that have a certificate of title or for equipment vehicles for which the full purchase price has not been paid, title to the products sold hereunder shall pass upon delivery to the carrier at the point of shipment. Neither Buyer nor the consignee shall have the right to divert or re-consign such shipment to any destination other than specified in the bill of lading without permission of the Seller. Unless otherwise agreed, Seller reserves the right to select the mode of transportation. With respect to title for vehicles that have a certificate of title or vehicles for which the full purchase price has not been paid to the Seller, title will only transfer on the delivery of the certificate of title and payments due from the Buyer to the Seller has been paid in full. After the Buyer takes possession of a piece of equipment from the Seller, the risk of loss passes to the Buyer regardless of whether the legal title is transferred to the Buyer. Buyer will indemnify and save harmless the Buyer with respect to any losses, damages, or claims related to the vehicle(s) after the Buyer receives possession of the vehicle(s), including any attorney's fees or costs associated with the indemnity or the enforcement of the Seller's rights herein.

8. **PAYMENTS AND LATE CHARGES ON PAST DUE ACCOUNTS.** Buyer represents that Buyer is solvent and can and will pay for the products sold to Buyer in accordance with the terms hereof. If Buyer shall fail to comply with any provision or to make payments in accordance with the terms of this contract or any other contract between Buyer and Seller, Seller may at its option defer shipments or, without waiving any other rights it may have, terminate this contract. All deliveries shall be subject to the approval of Seller's Credit Department. Seller reserves the right, before making any delivery, to require payment in cash or security for payment, and if Buyer fails to comply with such requirement, Seller may terminate this contract. A late charge of 1-½% monthly (18% annual rate) or the maximum allowed by state law, if less, will be imposed on all past due accounts.
9. **TRANSPORTATION CHARGES.** Delivered prices or prices involving competitive transportation adjustments shall be subject to appropriate adjustment to reflect changes in transportation charges.
10. **CLAIMS BY BUYER.** Buyer shall thoroughly inspect products sold under this contract immediately upon receipt to verify for itself that they conform to the specifications of the contract. Buyer must notify Seller of claims for failure or delay in delivery within 30 days after the scheduled delivery date. Buyer must notify Seller of any claims for nonconforming or defective goods within 30 days after the nonconformity or defect was or should have been discovered. In addition, Seller must be given an opportunity to investigate the claim before Buyer disposes of the material, or else Buyer's claim will be barred. Seller shall incur no liability for damage, shortages, or other cause alleged to have occurred or existed at or prior to delivery to the carrier unless the Buyer shall have entered full details thereof on its receipt to the carrier.
11. **MECHANICAL PROPERTIES; CHEMICAL ANALYSES.** Data referring to mechanical properties or chemical analysis are the result of tests performed on specimens obtained from specific locations of the product(s) in accordance with prescribed sampling procedures; any warranty thereof is limited to the values obtained at such locations and by such procedures. There is no warranty with respect to values of the materials at other locations.
12. **PATENTS.** Seller shall indemnify Buyer against attorneys' fees and any damages or costs awarded against Buyer in the event any legal proceeding is brought against Buyer by a third person claiming the material delivered hereunder in itself constitutes an infringement of any U.S. patent, provided Buyer gives Seller prompt notice of any such suit being brought, gives Seller the opportunity to defend any such suit, and cooperates with Seller with respect to any such defense; unless the material is made in accordance with material designs, or specifications required by Buyer, in which case Buyer shall similarly indemnify Seller.
13. **PERMISSIBLE VARIATIONS.** The products sold hereunder shall be subject to Seller's standard manufacturing variations, tolerances and classifications.
14. **TECHNICAL ADVICE.** Buyer represents that it has made its own independent determination that the products it is purchasing under this contract meet the design requirements of Buyer's project and are suitable for Buyer's intended application. Buyer further represents that it has not relied in any respect on any written or oral statements or advice from Seller, other than the standard product specifications set forth in the most recent addition of Seller's published product brochures, in making that determination.
15. **TAXES.** Any applicable sales, excise and/or use taxes, if any, due under the laws of any state, any local government authority, or the federal government of the United States, in connection with the purchase and sale of any equipment, parts, and/or services shall be the responsibility of the Buyer.
16. **BUYER'S RIGHT OF TERMINATION.** Buyer may terminate this contract in whole or in part upon notice in writing to Seller. Seller shall thereupon cease work and transfer to Buyer title to all completed and partially completed products and to any raw materials or supplies acquired by Seller especially for the purpose of performing this contract, and Buyer shall pay Seller the sum of the following: (1) the contract price for all products which have been completed prior to termination; (2) the cost to Seller of the material or work in process as shown on the books of Seller in accordance with the accounting practice consistently maintained by Seller plus a reasonable profit thereon, but in no event more than the contract price; (3) the cost f.o.b. Seller's plant of materials and supplies acquired especially for the purpose of performing this contract; and (4) reasonable cancellation charges, if any, paid by Seller on account of any commitment(s) made hereunder.
17. **SELLER'S RIGHT OF TERMINATION.** In addition to the other rights of termination provided for in this contract, and if this contract is made pursuant to any governmental rule or regulation, plan, order or other directive, upon the termination thereof, Seller shall have the option of canceling this contract in whole or in part.
18. **WAIVER.** Failure or inability of either party to enforce any right hereunder shall not waive any right in respect to any other or future rights or occurrences.

19. **DELIVERY.** Unless otherwise agreed to in writing by the Seller, the Buyer hereby agrees to take delivery of the materials on this order within the later of five (5) days after the wanted date shown on the face of the order or within five (5) days after notification, oral or written, that the materials are ready for shipment. In the event that the Buyer does not arrange to take delivery of the materials in accordance with this Contract, Seller, at Seller's option, may:
  - (a) invoice the Buyer for the materials less freight if applicable; store the material in Seller's yard for a period not to exceed sixty (60) days from the date of invoice; charge a storage fee not to exceed 5% per month or fraction thereof of the selling price of the stored materials; add any applicable price increases listed on the face of the order; charge for any repair work to protective coatings harmed by weathering while such material is being stored; and charge applicable freight when shipment to the Buyer is made. Materials remaining in storage after sixty (60) days from the invoice date shall become the property of the Seller for disposition at the Seller's discretion. In that event, Buyer shall not be liable for the invoice price of the materials, but shall be liable for the storage fee and any repair work to protective coatings; or
  - (b) cancel the order and invoice the Buyer for cancellation charges, which shall be 50% of the selling price of the materials if the materials are standard, in- stock material, or the full selling price if the materials are special or nonstandard in nature and were especially fabricated for the Buyer.
20. **PERIOD OF LIMITATIONS.** Buyer and Seller agree that any action by Buyer against Seller for a breach of this contract, including any action for breach of warranty, or otherwise in connection with the goods sold under this contract, must be commenced by Buyer against Seller within one year after the cause of action therefore accrues.
21. **CONFLICTING PROVISIONS OFFERED BY BUYER.** Any terms and conditions of any purchase order or other instrument issued by the Buyer, in connection with the subject matter of this document, which are in addition to or inconsistent with the terms and conditions expressed herein, will not be binding on Seller in any matter whatsoever unless accepted by Seller in writing.
22. **SEVERABILITY.** In case any provision of this contract shall be declared invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.
23. **APPLICABLE LAW.** This contract shall be governed by, and construed and enforced in accordance with, the laws of the State of Indiana. Buyer and Seller specifically agree that any legal action brought relating to this contract will be brought and tried in the federal district court in Evansville, Indiana, or, in the absence of jurisdiction, the Vanderburgh County Court of Common Pleas in Evansville, IN.

## MEMORANDUM

**DATE:** May 11, 2026

**TO:** Matt Walsh, Village Administrator

**FROM:** Jack Bielak, Director of Public Works & Engineering  
Brian Skoczek, Superintendent of Operations

**SUBJECT:** April 2026 Fuel Purchase

---

**Issue:** The Village Purchased fuel in April 2026 for Village operations.

**Analysis:** The Village of River Forest manages a fuel system that supplies for the village fleet, along with Park District and School District 90 vehicles. Approximately 41,000 gallons of gasoline and 14,500 gallons of bio diesel fuel are used per year. The Village invoices partner agencies for their fuel costs.

The Village purchases fuel monthly. As part of this process, staff solicits quotes from regional fuel providers and awards the purchase to the lowest bidder. Historically, the cost to refill the Village fuel station has remained below the Village Administrator's purchasing authority of \$20,000.

However, several factors contributed to a higher cost in April:

- Market volatility: Fuel prices have risen regionally throughout early 2026 due to increased demand coming out of the winter season and continued volatility in wholesale petroleum markets.
- Seasonal impacts: Fuel costs often increase in spring as suppliers transition to summer-grade gasoline, which is more expensive to produce and distribute.
- Inventory needs: The Village's tanks required a higher-than-normal replenishment level in April based on seasonal usage patterns and recent operational demands.

As a result of these combined factors, the lowest quote staff received totaled \$22,413, exceeding staff's purchasing authority and requiring Village Board approval.

**Recommendation:** Consider a motion to approve the April 2026 fuel purchase in the amount of \$22,413.00

## MEMORANDUM

**DATE:** May 11, 2026

**TO:** Matt Walsh, Village Administrator

**FROM:** Jack Bielak, Director of Public Works & Engineering  
Bill Koclanis, Civil Engineering Technician

**SUBJECT:** Award of Contract – 2026 Water Main Improvement Project Construction

---

**Issue:** Staff seeks approval to award a construction contract for the 2026 Water Main Improvement Project.

**Analysis:** The FY27 Water and Sewer Fund budget includes funding for water main replacement. This annual program is designed to improve the condition and reliability of the Village's water distribution system by replacing aging infrastructure or installing new mains where deficiencies or capacity needs have been identified.

The Village's distribution network consists of approximately 40 miles of water main, most of which is between 50 and 80 years old. The system experiences an average of seven breaks per year. The American Water Works Association (AWWA) recommends replacing one percent of a community's water distribution system annually.

In February 2018, the Village completed a Hydraulic Water Model and System Analysis to evaluate supply and storage capacity, assess system performance, identify and prioritize improvements, and develop a five-year capital plan. Each year, staff reviews water main break history, pipe age and size, and system performance, along with the model's recommendations, to determine annual replacement priorities. Based on this evaluation, Franklin Avenue (Madison Street to Washington Boulevard) and Keystone Avenue (Chicago Avenue to Division Street) were identified as priority segments.

On August 12, 2025, the Village Board approved a \$52,705 contract for the design of the Franklin Avenue water main replacement project and the future Keystone Avenue replacement project. Following this approval, the Village's engineering consultant completed a full set of design services for Franklin Avenue. This work included field investigations to document existing conditions, utility coordination with other service providers, detailed hydraulic analysis to confirm pipe sizing, preparation of construction plans and specifications, and development of traffic control and staging plans for work within the right-of-way. The consultant also prepared the necessary permit applications and coordinated reviews with the Illinois Environmental Protection Agency and other required agencies. With these steps completed, all permits have been secured and final bid-ready plans were prepared and released for bid.

Staff conducted targeted community outreach to ensure that all residents directly impacted by the project were informed and had an opportunity to engage early in the process. Individual letters were mailed to each affected property owner and resident, inviting them to a community meeting held at Village Hall on April 7th at 5:30 p.m. The purpose of the meeting was to provide clear information about the project, including the scope of work, anticipated timeline, expected impacts to parking and water service, and planned traffic control measures. Following the presentation, residents were encouraged to ask questions, share concerns, and discuss site-specific issues. Feedback received during the meeting was documented and used to inform construction planning and communication strategies moving forward.

A Notice to Contractors was posted on the Village website, advertised in the Wednesday Journal on March 25, 2026, and posted to QuestCDN. Only one bid was received. Staff contacted previous bidders and firms that downloaded the plans to determine why they did not submit. Based on their feedback, the project was repackaged and re-advertised. A second Notice to Contractors was posted on the Village website, published in the Wednesday Journal on April 22, 2026, and again posted to QuestCDN. On May 7, 2026, three competitive bids were received and opened:

- **Mauro Sewer Construction, Inc. – \$1,479,777.50**
- Martam Construction, Inc. – \$1,691,056.00
- Bolder Contractors, LLC – \$2,187,866.00

The Village secured \$1,150,000 in grant funding through the Illinois Department of Commerce and Economic Opportunity (DCEO).

After review, staff determined that Mauro Sewer Construction, Inc. of Des Plaines, Illinois submitted the lowest responsive bid. References were checked, and all feedback was positive. Staff has successfully worked with Mauro on previous Village projects, and the design consultant also recommends award to Mauro Sewer Construction (letter attached).

The FY27 Water and Sewer Fund includes funding for construction. Staff requests a 5 percent contingency, totaling \$73,988.86, to address unforeseen field conditions. Use of contingency funds requires prior authorization from the Village Administrator.

**Recommendation:** Staff recommends that the Village Board approve a construction contract with Mauro Sewer Construction, Inc. in the amount of \$1,479,777.50, plus a 5 percent contingency of \$73,988.86, for a total not-to-exceed amount of \$1,553,766.36 and authorize the Village Administrator to execute the contract.

**RE: 2026 Proposed Watermain Plan Franklin Ave project River Forest, IL**

Dear Mr. Bielak,

We have evaluated the bids received and read aloud on May 7, 2026 for the 2026 Proposed Watermain Plan Franklin Ave project. The project includes, but is not limited to, watermain and storm sewer replacement, new curb and gutter, sidewalks and roadway patching.

Bids were received from the following contractors:

- Mauro Sewer Construction Inc (\$1,479,777.50) Alt (\$325,793.00)
- Martam Construction Inc (\$1,691,055.00) Alt (\$266,604.00)
- Bolder Contactors LLC (\$2,187,866.00) Alt (\$290,748.00)

The engineer's estimate was \$1,325,735.00 and Alt bid \$159,743.00. The apparent low bid was submitted Mauro Sewer Construction Inc \$1,479,777.50 and Alt bid \$325,793.00. Mauro Sewer Construction Inc's bid was reviewed and no arithmetic errors were found. The Village opted to not pursue the Alternate work and will only award the base bid.

We recommend the award of the contract for construction of the 2026 Proposed Watermain Plan Franklin Ave project to Mauro Sewer Construction Inc in the amount of \$1,479,777.50. If you have any questions or require further information, please contact me at 630.254.1522 or by email at [jholy@v3co.com](mailto:jholy@v3co.com)

## MEMORANDUM

DATE: May 11, 2026  
TO: Matt Walsh, Village Administrator  
FROM: Jessica Spencer, Assistant Village Administrator  
SUBJECT: Springbrook Renewal – FY2027

---

**Issue:** Staff is seeking approval for the FY2027 Springbrook invoice.

**Background:** Since 2009, the Village has paid a single annual invoice to Springbrook for various software services, including CivicPay, Utility Billing, Accounts Receivable, the Finance Suite, and Payroll. In the previous fiscal year, the Village expanded its engagement with Springbrook by transitioning from a server-based system to a cloud-based platform and adding the HR Core module with Employee Self-Service. These enhancements, previously approved by the Village Board, enable staff to more efficiently monitor the Village's financial position, ensure timely processing of payments, and maintain accurate employee records.

The annual maintenance fee covers ongoing software updates, support services, and technical assistance. The invoice presented for approval reflects a 5% increase over last year's costs.

**Request for Board Action:** If the Village Board wishes to approve the invoice, the following motion would be appropriate:

*Motion to approve Invoice #INV-023774 in the amount of \$49,527.32.*

**Documents Attached:**

# Dear RF EMTs and FD:

We just wanted to take a minute to thank you all for the kindness you have shown [REDACTED] and me over the years of coming to her house.

Your professionalism was exemplary, but your kindness, compassion, and empathy was what we will always remember. You all went out of your way to make stressful and scary situations manageable...for all of us...even the dog.

As the last crew knows, we have decided to put Mom into a hospice program. We are hoping they will help her have many quality days....allowing her to enjoy the company of those who love her.

This is a very very small token of our great appreciation of all you have done for Mom...you all are the best.

*A Very Special*

**THANK YOU**

Chief Craig Bronaugh  
Village of Maywood

To The River Forest Fire Department:

Thank you for letting me observe you today at the fire station & the ~~calls~~ calls. I had a great time & really enjoyed learning more about what the local fire department does. I also truly appreciate the home cooked breakfast. You know as a college student I do not get many home cooked meals. The food was amazing. I also love all the words of wisdom & getting to meet ~~3~~ three lovely dogs

*You are so very nice!*

I hope you like my drawing of everyone I am a neuroscience major not an Art major!

## MEMORANDUM

**DATE:** May 11, 2026  
**TO:** Matthew Walsh, Village Administrator  
**FROM:** Jack Bielak, Director of Public Works & Engineering  
Seth Jansen, Assistant to the Director of Public Works & Engineering  
**SUBJECT:** Public Works Report – April 2026

---

### **Executive Summary**

During April, the Department of Public Works & Engineering advanced its spring operational priorities, with an emphasis on tree trimming, street sweeping, and preparation for the upcoming maintenance season. Throughout the month, staff responded to several rain events, clearing debris, inspecting key infrastructure, and maintaining the safety and passability of streets and drainage systems. Staff also actively monitored water levels along the Des Plaines River to ensure continued preparedness. Deliveries of finished compost commenced for participants in the Curbside Composting Program, and staff responded to resident service requests related to tree maintenance, street lighting, and mulch deliveries. Staff completed Live Line Training on April 2 and Work Zone Safety Training on April 22.

On April 7, the Village hosted a community meeting for residents affected by the Franklin Avenue watermain installation. At the April 13 meeting of the Village Board of Trustees, the Board approved the 2026 Permeable Paver Maintenance contract, adopted an Earth Day proclamation, and reviewed the right-of-way encroachment approval process. At the April 27 meeting, the Board approved the purchase of a new Public Works pickup truck and plow installation, adopted proclamations for Arbor Day and Compost Awareness Week, and approved the FY 2027 budget.

Throughout the month, staff participated in several regional and professional forums, including the GIS Board of Directors meeting in Schaumburg and WaterCon 2026, held April 14–16 by the Illinois Section of the American Water Works Association in Peoria. Staff also attended the CMAP Century Plan presentation to the West Central Municipal Conference and the Lower Des Plaines Watershed meeting hosted by the Metropolitan Water Reclamation District. Coordination continued with consultants on major capital initiatives including the Public Works Garage Rooftop Solar Project, the Village Hall Permeable Paver Project, and ongoing planning efforts related to the Heritage Square redevelopment.

The Village's regional sustainability engagement also continued through active participation in the Metropolitan Mayors Caucus Environment Committee, PlanIt Green, and the Cross-Community Climate Collaborative. Staff attended a Cook County session on regional bike-share feasibility and an IRMA Public Works Steering Committee meeting, and held bi-weekly GIS coordination meetings to ensure alignment on upcoming project priorities.

## **Public Works - Engineering**

- Completed monthly Combined Sewer Overflow (CSO) inspection.
- Continued coordination of GIS updates with the Village's consultant (MGP).
- Advanced consultant coordination on the 2026 Watermain Design Project and the Village Hall Permeable Pavement Project.
- Finalized permit documents for the Lake Street Improvement Project; bid documents will be released shortly, with Board consideration scheduled for June 22.
- Held coordination meetings with Elmwood Park and project consultants to finalize materials for the North Avenue Phase I open house on May 13 at St. Vincent's.
- Continued administration of utility-related resident subsidy programs including Lead Service Line Replacement, Sewer Backflow Prevention, and Sewer Lateral Repair.
- Conducted engineering permit reviews.
- Completed concrete replacement, asphalt milling, first asphalt course, and landscape restoration for the 2026 Street Resurfacing Project.
- Held a public meeting for the Franklin Watermain Project April 7<sup>th</sup> at Village Hall.
- Held the bid opening and completed award for the 2026 Permeable Paver Maintenance Contract.
- Held the pre-construction meeting for the Village Hall Building Envelope Maintenance Project.
- Completed pavement striping and landscape restoration at new EV charging locations.
- Completed Invest in Cook interview for potential funding for the Washington Phase II Detailed Engineering Project.
- Completed Invest in Cook interview jointly with Elmwood Park for potential North Avenue Phase II Detailed Engineering funding.
- Held the pre-construction meeting for Village Hall tuckpointing; work is scheduled to begin May 4.

## **Sustainability Commission:**

- The Commission continued work on achieving Bird City Illinois designation, discussing implementation of the focal species monitoring program.
- The Commission reviewed and recommended renewal of the Municipal Aggregation Program, recording accepting the civic contribution for a term of 24 months and dedicating the funds toward for public-facing sustainability projects.
- The Commission continued discussing development of a resident guide on electrification and green building practices.
- The Commission recommended adoption of a proclamation celebrating International Compost Awareness Week
- The Commission continued its communications, sharing information on resources, events, and programs for Village residents, notable the upcoming World Migratory Bird Day events and Earth Month events.
- The Commission discussed implementation of the forthcoming seasonal gas-powered leaf blower ban that takes effect May 15<sup>th</sup>.

## **Public Works – Operations**

The following is a summary of work orders (streets, forestry, water, sewer, etc.) that were received and processed during the past month:

<b>Work Orders</b>	<b>Total</b>	<b>Completed w/ 7 working days</b>
Tree Trimming/Inspection Requests	15	15
Street Light Repairs	6	6
Other Requests	29	29

- Operations team successfully responded to one emergency tree removal caused by the recent storms.
- During the Inspection of the 2-million-gallon tank, staff found that the shaft used to open one of the valves was nearly completely eroded away. Staff found a manufacturer to purchase the steel and make the replacement in house while the reservoir is empty.
- America 250 Banners were installed on North Avenue, Lake Street, Madison Street and Village Hall.

## **Streets and Forestry**

These are the details of the tasks performed in the month of April:

<b>Description of Work Performed</b>	<b>Quantity</b>
Streets Swept (Miles)	347
Catch Basins Cleaned	10
Sewer Jetting (Feet)	800
Sewer Televising (Feet)	800
Trees Trimmed	43
Signs Fabricated	3

## Water and Sewer

Monthly Pumpage: April's average daily pumpage of 988,127 gallons is lower than April's average of 1,002,193 in 2025.

Volume of Water Pumped into the Distribution System (Million Gallons):

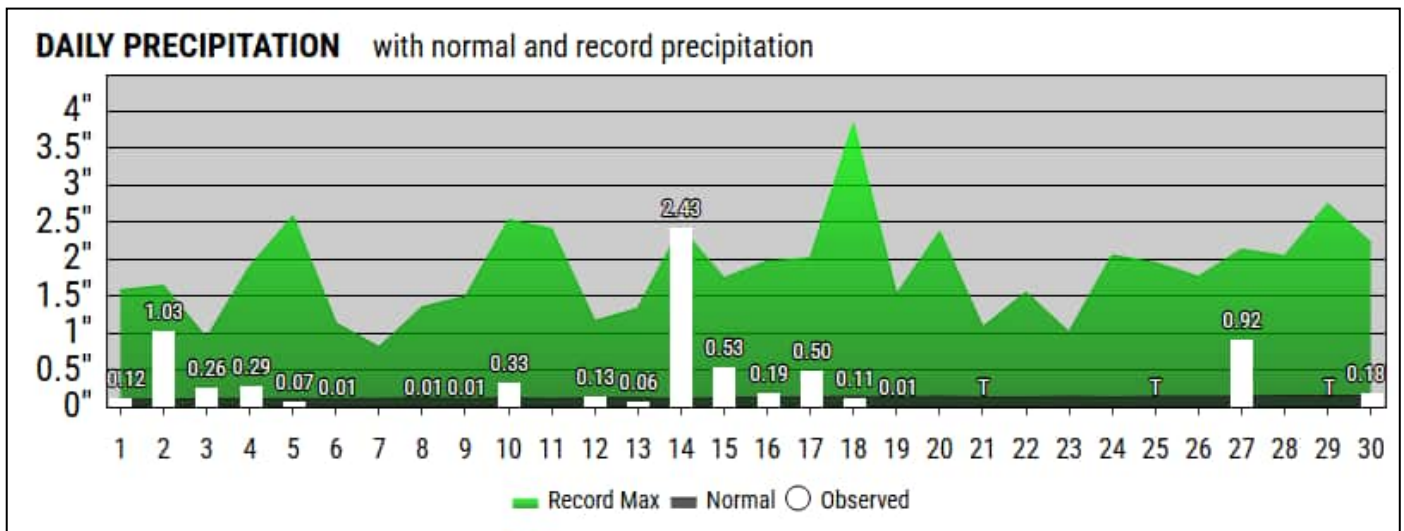

In April, staff completed monthly maintenance at the pump station, meter route issues, notified residents and businesses of backflow violations, and delivered shut-off notices for failure to pay their water bill. The 2026 Meter Replacement project continued with 81 additional meters being installed; staff continued to set up appointments for meter replacement. The Reservoir Restoration project continued with work on the 2-million-gallon tank.

These are the details of the tasks performed in the month of April:

Description of Work Performed	Quantity
Meters Installed	81
Service Calls	356
Water Main Breaks	0
Service Line Breaks	0
Exercised Valves	0
JULIE Locates	236

## Des Plaines River Watch in River Forest

The Chicagoland region experienced anomalously high precipitation in April, recording 7.19 inches of cumulative rainfall and exceeding 11 inches of total liquid precipitation since March 1. This marks the wettest onset of the spring hydrologic season in approximately 155 years of climatological records. Throughout this period, Public Works Operations were continuously mobilized to mitigate storm impacts across the Village's transportation and stormwater infrastructure systems. Crews executed debris-removal operations, conducted condition assessments on critical drainage assets, and ensured the operational integrity of streets, inlets, and conveyance structures to maintain hydraulic capacity and safe passage.

Staff simultaneously performed sustained monitoring of Des Plaines River stage conditions as basin runoff migrated downstream. The Village utilizes a United States Geological Survey (USGS) real-time stage-recording gauge installed on Lake Street through an interagency partnership. Data from this device feed directly into the National Oceanic and Atmospheric Administration (NOAA) hydrologic information network. Hydrologic forecasts issued by the National Weather Service (NWS) are generated using site-specific calibrated hydrologic and hydraulic models, incorporating observed precipitation, soil moisture indices, upstream hydrographs, and regional expert interpretation to produce accurate river-stage and streamflow predictions.

Public Works uses these predictive modeling outputs to activate resources and scale operations as needed to address potential flooding. Stage-based response protocols define actions at multiple thresholds to ensure that personnel, equipment, and protective measures can be deployed rapidly and in a coordinated manner as hydrologic conditions evolve.

Latest observed value: 5.7 ft  
7:09 AM CDT 4-May-2026  
Flood Stage is 16 ft

Below are the established Des Plaines River stage thresholds and corresponding operational actions implemented by Public Works when NWS forecasts indicate approaching levels:

### **10 Feet – “No Action”**

- Classification: Bank-full flow; minor encroachment into forest preserve property.
- Operational Response: No Public Works intervention required; remote monitoring only.

### **13 Feet – “Action Stage”**

- Impacts: Parking lots adjacent to the Trailside Museum become susceptible to inundation.
- Operational Response:
  - Pre-deployment of flood-control assets, including modular barriers and sandbags.
  - Personnel placed on standby and potentially held in based on forecasted crest timing and magnitude.
  - Coordination with the Police Department for enhanced overnight patrols and situational monitoring.

### **16 Feet – “Minor Flooding”**

- Impacts: Chicago Avenue at increasing risk of flooding.
- Operational Response:
  - Intensified monitoring of hydrologic modeling results and upstream conditions to determine optimal deployment timing.
  - Installation of flood-control barriers and sandbags at Chicago Avenue and Thatcher Avenue to maintain roadway operability and protect adjacent infrastructure.

### **17.5 Feet – “Moderate Flooding”**

- Impacts: North Avenue (IL-64) in River Grove and Melrose Park threatened; residential properties along River Oaks Drive at elevated risk.
- Operational Response:
  - High-frequency review of NWS forecasts, upstream gauge data, and hydrodynamic conditions.
  - Deployment of flood-control barriers along Lake Street.
  - Supplemental sandbagging applied to the existing berm system as needed to prevent overtopping or seepage.

### **18.5 Feet – “Major Flooding”**

- Impacts: Significant flood threat to residential structures along River Oaks Drive; potential for widespread overbank inundation.
- Operational Response:
  - Continuous evaluation of barrier performance and hydrologic loading.
  - Reinforcement of barrier systems and berm structures with additional sandbags to preserve structural integrity under high-stage conditions.

As river stages increased, substantial accumulations of woody debris formed along the upstream (north) side of the Lake Street Bridge, creating conditions conducive to partial obstruction of flow and the development of log-jam hazards. Public Works initiated coordinated interagency operations with the Metropolitan Water Reclamation District (MWRD) and the Illinois Department of Transportation (IDOT) to address the blockage. Resources were deployed to mechanically remove debris, restore conveyance capacity, and mitigate the risk of hydraulic backwater effects or structural loading on the bridge.

**MEMORANDUM**

Date: May 11, 2026  
To: Matthew Walsh, Village Administrator  
From: Jack Bielak, Director of Public Works & Engineering  
Seth Jansen, Assistant to the Director of Public Works & Engineering  
Subj: Right-of-Way Encroachment Agreements

---

**Issue:** Staff is seeking to codify a new permitting review process and allow staff to review and approve Right-of-Way Encroachment Waiver Agreements.

**Analysis:** The Village Code prohibits obstructions within the public right-of-way and does not allow property owners to install improvements in this area without prior authorization from the Village. Authorization is typically granted through a formal agreement. The standard Right-of-Way Encroachment Waiver and Agreement form is a required condition of permit approval for all obstructions that are proposed for installation within the public right-of-way. This is done in order to minimize Village expenses for private infrastructure within the public right-of-way that may be damaged/impacted as a result of capital improvement projects in the future.

At the Village Board meeting held April 13, 2026, the Board discussed the staff request that the Board authorize the Director of Public Works to review and approve these encroachment agreements administratively. The Board provided further instruction to staff that the newly proposed process be codified in the Village Code and that, in the event that staff denies a waiver, the applicant would retain the ability to appeal the decision to the Village Board. The attached draft ordinance reflects the recommendation of the Village Board

**Recommendation:** Motion to approve an Ordinance amending the Village Code regarding the permit approval process for construction of facilities on public rights-of-way.

**Attachment:** Draft Ordinance

ORDINANCE NO. \_\_\_\_

**AN ORDINANCE AMENDING CHAPTER 14 (STANDARDS FOR CONSTRUCTION OF FACILITIES ON PUBLIC RIGHTS-OF-WAY) OF TITLE 5 (PUBLIC WAYS AND PROPOERTY) OF THE RIVER FOREST VILLAGE CODE REGARDING PRIVATE CONSTRUCTION ON PUBLIC RIGHTS-OF-WAY**

**WHEREAS**, the Village of River Forest (“Village”), is a non-home rule unit of local government as provided by Article VII, Section 7 of the Illinois Constitution of 1970; and

**WHEREAS**, the Village Board of Trustees recognizes opportunity to clarify and simplify the permit approval processes while providing necessary protections for residents, contractors, and Village infrastructure; and

**NOW, THEREFORE, BE IT ORDAINED** by the President and Board of Trustees of the Village of River Forest, Cook County, Illinois, as follows:

**SECTION 1: Incorporation.** That the recitals above shall be and are hereby incorporated in this Section 1 as if restated herein.

**SECTION 2: Code Amendment.** That Section 4 (Permit Required; Applications and Fees) of Chapter 14 (Standards for Construction Of Facilities On Public Rights-Of-Way) of Title 5 (Public Ways and Property) of the Village Code is hereby amended to read, in part, as follows, with additions underlined:

**“5-14-4: PERMIT REQUIRED; APPLICATIONS AND FEES:**

...

D. Supplemental Application Requirements: In addition to the requirements of subsection C of this section, the permit application shall include the following items as may be applicable to the specific utility that is the subject of the permit application:

1. In the case of new electric power, communications or natural gas distribution system installation, evidence that any "Certificate of Public Convenience and Necessity" has been issued by the ILCC that the applicant is required by law, or has elected, to obtain;
2. In the case of natural gas systems, the proposed pipe size, design, construction class, and operating pressures;
3. In the case of water lines, a statement that all requirements of the Illinois environmental protection agency, division of public water supplies, have been satisfied;
4. In the case of sewer line installations, a statement that the land and water pollution requirements of the Illinois environmental protection agency, division of water pollution control and the metropolitan water reclamation district, have been satisfied; or

5. In the case of petroleum products pipelines, the type or types of petroleum products, pipe size, maximum working pressure, and the design standard to be followed.

6. In the case of any private installations within public areas, including but not limited to sprinkler and irrigation systems, in pavement heating elements, fences, and decorative light poles, a Right of Way Encroachment Waiver and Agreement is to be signed by the property owner and recorded with the County.

...

**SECTION 3: Code Amendment.** That Section 5 (Action on Permit Applications) of Chapter 14 (Standards for Construction Of Facilities On Public Rights-Of-Way) of Title 6 (Public Ways and Property) of the Village Code is hereby amended to read, in part, as follows, with additions underlined:

**“5-14-5: ACTION ON PERMIT APPLICATIONS:**

A. Review Of Permit Applications: Completed permit applications, containing all required documentation, shall be examined by the director of public works within a reasonable time after filing. If the application does not conform to the requirements of all applicable ordinances, codes, laws, rules, and regulations, the director of public works shall reject such application in writing, stating the reasons therefor. If the director of public works is satisfied that the proposed work conforms to the requirements of this chapter and all applicable ordinances, codes, laws, rules, and regulations, the director of public works shall issue a permit ~~therefor~~ therefore as soon as practicable. Such permits do not need to be approved by the Village Board of Trustees. If the director of public works denies a permit application, the applicant may submit an appeal in writing within (30) days of receipt of notice of the denial. The appeal should be submitted to the Village Administrator. The Village Administrator shall present the appeal to the Village Board of Trustees within (30) days of receipt of the appeal.

...

**SECTION 4: Continuing Effect.** That all parts of the Village Code not amended herein shall remain in effect.

**SECTION 5: Severability.** That if any Section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such Section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

**SECTION 6: Repeal.** That all ordinances, resolutions, motions or parts thereof in conflict with this Ordinance shall be and the same are hereby repealed.

**SECTION 7: Effectiveness.** That this Ordinance shall be in full force and effect upon its passage and approval according to law.

## MEMORANDUM

Date: May 11, 2026

To: Matt Walsh, Village Administrator

From: Rosey McAdams, Director of Finance

Subject: Ordinance Authorizing an Amendment to Water and Sewer Rates

Attached please find *An Ordinance Amending Title 5, Chapter 10, Titled “Village Waterworks and Sewerage System” of the River Forest Village Code in Regard to Water and Sewer Rates*. This ordinance includes the previously discussed changes in the Village’s water and sewer rates effective June 1, 2026, that are included in the Village’s Fiscal Year 2027 Annual Budget. The recommended rates are as follows:

	Effective June		
	Current Rate	1, 2026	Increase
<b>Water</b>	\$7.85	\$7.92	\$0.07
<b>Sewer</b>	\$4.69	\$4.69	\$0.00
<b>Total</b>	<b>\$12.54</b>	<b>\$12.61</b>	<b>\$0.07</b>
<b>Percentage</b>			<b>0.56%</b>

The recommended rate increase includes an increase of \$0.07 or .56% to cover an increase in the cost of water from the City of Chicago. The City ordinance provides for an increase on June 1 of each year for the lesser of 5% or the increase in the Consumer Price Index (Chicago All Items). The City has announced a 1.85% increase effective June 1, 2026.

The attached ordinance requests approval of a \$0.07 increase in the water rate from \$7.85 to \$7.92 and no increase in the sewer rate, effective June 1, 2026. This water and sewer rate increase will be effective for bills issued on or after June 1, 2026.

**Requested Board Action:** Motion to Approve *An Ordinance Amending Title 5, Chapter 10, Titled “Village Waterworks and Sewerage System” of the River Forest Village Code in Regard to Water and Sewer Rates*.

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE AMENDING TITLE 5, CHAPTER 10, TITLED “VILLAGE WATERWORKS AND SEWERAGE SYSTEM” OF THE RIVER FOREST VILLAGE CODE IN REGARD TO WATER AND SEWER RATES**

**WHEREAS**, the Village of River Forest (the “Village”), is a duly incorporated and existing non-home rule municipality, created under the provisions of the laws of the State of Illinois, and now operating under the provisions of the Illinois Municipal Code, and all laws amendatory thereof and supplementary thereto; and

**WHEREAS**, the President and Board of Trustees find that amending the obligations of the Village’s water and sewer systems best serves the Village’s and its residents’ health, safety, and welfare.

**BE IT ORDAINED** by the President and Board of Trustees of the Village of River Forest, County of Cook, State of Illinois:

**SECTION 1:** That Title 5, entitled “Public Ways and Property,” Chapter 10, entitled “Village Waterworks and Sewerage System”, Sections 5-10-3 A and 5-10-4 B, be amended as follows:

**5-10-3: RATES FOR SEWERAGE SERVICE:**

A. Effective June 1, 2026, there shall be charged for sewerage service four dollars and sixty-nine cents (\$4.69) per one hundred cubic feet of metered water used on each metered account connected to the village water system, including elementary schools, high schools, colleges, churches, River Forest Park District, River Forest Public Library and the community center.

**5-10-4: WATER USE RATES:**

C. Water Rate: Effective June 1, 2026, there shall be charged seven dollars and ninety-two cents (\$7.92) per one hundred cubic feet of metered water used by each metered account connected to the village water system including elementary schools, high schools, colleges, churches, the River Forest Park District, River Forest Public Library, and the community center.

**SECTION 2:** That all ordinances or parts of ordinances in conflict with this Ordinance are hereby repealed.

**SECTION 3:** This Ordinance shall be in full force and effect from and after its passage, approval and publication in pamphlet form as provided by law.

**PASSED** on a roll call vote of the Corporate Authorities on the 11th day of May, 2026.

**MEMORANDUM**

Date: May 11, 2026  
To: Matthew Walsh, Village Administrator  
From: Seth Jansen, Assistant to the Director of Public Works  
Subj: Extension of the Municipal Aggregation Program

In March of 2012, River Forest voters approved a referendum giving the Village the authority to arrange an electric aggregation program. At the recommendation of the Sustainability Commission, the Village Board of Trustees approved an agreement with MCSquared for the green electric aggregation program at the May 26, 2020 meeting of the Village Board. At the time, MCSquared offered 5 potential contract options, ranging from 0% to 100% Renewable Energy Credits (RECs), with the Civic Contribution the Village would receive determined by percentage of RECs, with a higher REC percentage resulting in a lower Civic Contribution. The Sustainability Commission recommended choosing 100% RECs on the basis of providing the biggest offset of carbon emissions. The agreement was for 24-month term (September 2020 – September 2022) and allowed the Village to acquire Renewable Energy Certificates (RECs) that support clean, renewable energy development on wind farms in the Midwest, and to receive a civic contribution of \$36,000 per year. As a result of this program, the Village has been able to significantly offset its carbon emissions and has been designated an EPA Green Power Partner Community.

In 2022, due to the rising cost of energy prices and in order to match the ComEd Rate, MCSquared was only able to secure the 5% RECs needed to maintain the EPA designation with no civic contribution. This extension was approved by the Village Board of Trustees at their June 27, 2022 meeting and continued the program for another two years (September 2022 – September 2024). At their July 8, 2024 meeting, the Village Board voted to continue the program for another two years (September 2024 – September 2026) under the same 5% RECS provisions as the previous extension.

The Village has received an offer to extend the Municipal Aggregation program beyond its current expiration later this year. As of March 3, 2026, there are 2,031 accounts within the Village that are enrolled in the aggregation program. As with all previous agreements, those in the program would continue to be billed by ComEd and charged the ComEd rate. They may opt out or leave at any time with no termination fees. In its extension offer to the Village, MCSquared offered two term lengths: The term lengths offered by MCSquared are 12 months (September 2026 – September 2027) or 24 months (September 2026 – September 2028). Additionally, MCSquared is offering two program options for the Village: 10% Green Wind RECs (based on

the annual residential power load within River Forest) or \$1,250 per month Civic Grant (\$15,000 Annually).

The Sustainability Commission discussed these options at their March and April meetings. These discussions weighed the potential benefits of accepting the Renewable Energy Credits vs accepting the Civic Grant. Staff also noted that, anecdotally, sustainability staff in other communities have indicated that communities with existing aggregation programs do not take the RECs and instead opt for a Civic Contribution or Civic Grant, with the funds often going toward sustainability-related projects. At their meeting on April 14, 2026, the Village Sustainability Commission voted 5-0 to recommend that the Village Board extend the program, accepting the Civic Grant for a term length of 24 months. The Sustainability Commission further recommended to the Village Board that such funds raised through the Civic Grant go toward public-facing sustainability projects within the community.

Should the Village Board choose to continue the program, MCSquared would manage mailed notifications to eligible residents. Those in the program would continue to be billed by ComEd and charged the ComEd rate. Any resident enrolled in the program may opt out or leave at any time with no termination fees.

ORDINANCE NO. \_\_\_\_\_

**ORDINANCE AUTHORIZING EXECUTION OF AN EXTENSION OF A POWER SUPPLY AGREEMENT TO PROVIDE FULL REQUIREMENTS ELECTRICITY SUPPLY AND RELATED SERVICE FOR THE VILLAGE OF RIVER FOREST'S ELECTRIC AGGREGATION PROGRAM**

**WHEREAS**, the Village of River Forest ("Village"), is a non-home rule unit of local government as provided by Article VII, Section 7 of the Illinois Constitution of 1970; and

**WHEREAS**, under Section 1-92 of the Illinois Power Agency Act, 20 ILCS 3855/1-1, *et seq.* ("Act"), the Village may operate an electric aggregation program as an opt-out program for residential and small commercial retail customers, if a referendum is passed by a majority vote of the residents pursuant to the requirements under the Act; and

**WHEREAS**, the Village submitted a referendum at the March 20, 2012 General Primary Election asking whether the Village should have the authority to arrange for the supply of electricity for its residential and small commercial retail customers who have not opted out of such program, and a majority of the electors voting on the question voted in the affirmative; and

**WHEREAS**, the Village published notice of and held the required public hearings for the proposed electrical power aggregation plan of operation and governance on March 12, 2012 and March 19, 2012 at Village Hall; and

**WHEREAS**, on June 8, 2012, the Village President and Board of Trustees approved Ordinance No. 3434, which authorized the aggregation of certain electrical loads in the Village and adopted the Village's "Electrical Power Aggregation Plan of Operation and Governance" ("Plan"); and

**WHEREAS**, on May 26, 2020, the Village President and Board of Trustees approved Ordinance No. 3811, titled "An Ordinance Approving a Master Power Supply Agreement with MC Square Energy Services, LLC" ("Current Agreement"), pursuant to which the Village secured a supply of electric energy pursuant to the Plan with a term of September 2020 through September 2022; and

**WHEREAS**, on June 26, 2022, the Village President and Board of Trustees approved Extended Term Agreement No. 1 with a term of September 2022 through September 2024; and

**WHEREAS**, on July 9, 2024, the Village President and Board of Trustees approved Extended Term Agreement No. 2 with a term of September 2024 through September 2026; and

**WHEREAS**, on April 14, 2026, the Village Sustainability Commission voted 5 to 0 in favor of recommending the Village Board extend the term of the Master Power Supply Agreement with MC Squared Energy Services, LLC, accepting the Civic Grant offer for a term of 24 months and recommending the Village Board dedicate such revenue to public-

facing sustainability projects within the community; and

**WHEREAS**, the Village President and Board of Trustees find that it is in the best interest of the Village and its residents to continue the Village’s aggregation program under the Act as an opt-out program and to enter into another contract with a supplier pursuant to the terms of the Act, and to amend and / or replace the Current Agreement;

**NOW, THEREFORE, BE IT ORDAINED** by the President and Board of Trustees of the Village of River Forest, Cook County, Illinois, as follows:

**SECTION 1: Incorporation.** That the recitals above shall be and are incorporated in this Section 1 as if restated herein.

**SECTION 2: Approval of Aggregation Program and Power Supply Agreement.**

- A. That pursuant to Section 1-92 of the Act the Village President and Board of Trustees hereby continue to aggregate, in accordance with the terms of the Act, residential and small commercial retail electrical loads located within the corporate limits of the Village as set forth in the Plan (“Aggregation Program”), and for that purpose the Village may solicit bids and enter into service agreements to facilitate for those loads the sale and purchase of electricity and related services and equipment.
- B. That the Aggregation Program for the Village shall continue to operate as an opt-out program for residential and small commercial retail customers.
- C. That as an opt-out program, to the extent required by law or regulation, the Village shall inform residential and small commercial retail customers in advance that they have the right to opt-out of the Aggregation Program before the residential or commercial account is renewed. The disclosure and information provided to the customers shall comply with the requirements of the Act.
- D. That the Village President and Board of Trustees grant the Village President, or their designees, the authority to execute on behalf of the Village a “Power Supply Agreement” for the Aggregation Program, to amend and / or replace the Current Agreement, without further action by the Village President and Board of Trustees.

**SECTION 3: Severability.** That if any Section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such Section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

**SECTION 4: Repeal.** That all ordinances, resolutions, motions or parts thereof in conflict with this Ordinance shall be and the same are hereby repealed.

**SECTION 5: Effectiveness.** That this Ordinance shall be in full force and effect upon its passage and approval according to law.

**EXTENDED TERM AGREEMENT AMENDMENT NO. 3**

This Extended Term Agreement Amendment No. 3 (hereinafter the “ETA No. 3”), is entered as of this 27th day of April 2026 between the Village of River Forest, Cook County, Illinois, an Illinois municipal corporation (hereinafter the “Village”) and MC Squared Energy Services, LLC (hereinafter the “Supplier”) (each a “Party” and collectively, the “Parties”).

WHEREAS, Supplier and Village are the Parties to a Master Power Supply Agreement dated May 28, 2020 and amended on June 26, 2022, and further amended on July 8, 2024 (hereinafter the “MPSA” which is hereby incorporated by reference).

WHEREAS, pursuant to the terms of the MPSA, including Section 5.1, the Parties mutually wish to extend the term of the MPSA.

NOW, THEREFORE, the Parties agree as follows:

1. The Parties agree to replace Exhibit A with Amended Exhibit A to reflect the mutually agreed extended term of twenty-four (24) months.
2. The Parties agree that by executing this ETA No.3, Extended Term will last until September 2028, subject to future mutual extensions.
3. The Parties agree that Supplier has the right to conduct subsequent opt-out cycles to add eligible customer accounts to Supplier Service and/or return eligible accounts to ComEd’s Tariffed Service during the spring months of March through June and fall months of October through December.

IN WITNESS WHEREOF, the Parties have duly executed this Agreement to be effective on the date first written above.

**AMENDED EXHIBIT A**

**PRICE AND TERM**

Eligible Customers as defined in Section 2.13 includes all residential and small commercial Aggregation customers within the Municipality excluding customers served by other alternative retail electric suppliers (ARES) including pending “with RES” status, and customers served under ComEd’s Hourly Tariffed supply service (Rate RRTP).

Eligible Customers in the initial and subsequent opt-out cycles will be placed on Supplier Service or Tariffed Service as defined in Section 2.41 of the Agreement (i.e., ComEd default tariff supply service) based on Supplier’s criteria including the customer’s usage patterns and wholesale market conditions. Eligible Customers will be assessed the same Customer Class Price and will continue to receive monthly invoice statements from ComEd without regard to whether they are served by Supplier or on Tariffed Service.

Eligible Customer Class Price: Variable rate equal to the ComEd published tariff supply service costs including the Purchased Electricity Charges (PEC), Transmission Service Charges (TSC) and the Purchased Electricity Adjustment (PEA) for each applicable month for the Term of the Agreement.

**Termination Fee for Withdrawing Customers:**

No Early Termination Fees - \$0 (zero) per utility account

Delivery Term: Twenty-four (24) months

September 2026 – September 2028

Percent of RECs:	Zero
Civic Contribution:	\$1,250 / Monthly

Supplier will provide a monthly \$1,250 civic contribution to the Municipality for the term of the agreement. The Civic Contribution will be payable to the Municipality within 30 days after the last meter read cycle of each delivery month (i.e. September 2026 payment would be paid in November 2026).

# Appointment to Village Board or Commission

**Name:** Adam James Wilde

**Personal Statements:**

**Background:**

I am a five-year resident of River Forest, a husband, and the father of two young children-one currently attending Willard Elementary School and the other in pre-kindergarten. I am the founder and managing attorney of a Chicago-based small law firm, Wilde Law Group, LLC, where I represent individuals, families, and businesses in real estate transactions, estate planning, and business planning matters. As a small business owner and practicing attorney, I understand the importance of thoughtful decision-making, fiscal responsibility, and long-term community planning.

**Interest:**

My interest in civic service is rooted in both my professional experience and my personal investment in the Village of River Forest as a place where my family lives, works, and grows.

**Board and Term:** Economic Development Commission – Term Ending 4/30/28

- System Engineering
- Cellular Telecommunications
- Spectrum Utilization / Coexistence

## PROFESSIONAL EXPERIENCE

**ANTERIX, INC.** Woodland Park, NJ

### Vice President, Technology and Engineering

2019 to 2025

Led team of engineers and system architects to create wireless technology solutions for electric utilities across the United States. Maximized standards-based technology reuse, identified and proposed solutions for product roadmap gaps. Educated customers, vendor partners, and internal teams on technology status.

- Developed original system architecture for Anterix's Catalyx product offering.
- Worked directly with vendor partners and customers to resolve technology issues found during pilot phase and deployment.

**MOTOROLA SOLUTIONS, INC.** (formerly Motorola, Inc. through 2010), Schaumburg, IL

### Senior Engineering Director, Solution Architect and Standards, Broadband

2015 to 2018

Led team of 10-15 system architects and created solution architectures for all global broadband opportunities. Maximized product roadmap reuse, identified and proposed solutions for product roadmap gaps. Led Mission Critical Broadband Standards strategy and execution in standards defining organizations, such as 3GPP and OMA. Educated customers and internal teams on Mission Critical Standards activities status.

- Created Motorola's current Mission Critical Broadband Standards strategy and supported company's refocus from end-to-end broadband solutions towards mission critical application development, optimizing R&D spending.
- Guided system architecture and design activities for world's largest dedicated public safety LTE system and served as trusted advisor to Middle Eastern government officials, driving understanding of future capabilities of mission critical PTT and ensuring ongoing optimal system performance.
- Directed system architecture for responses to FirstNet's RFIs and RFPs, developing solutions with partners such as T-Mobile, as well as final architecture approach for Motorola's FirstNet partnership with AT&T which focused on providing PTT functionality.
- Drove system architecture for nationwide public safety LTE proposals to government agencies in countries such as Australia, Mexico, Singapore, Korea, and Pakistan, supporting partnerships with nationwide cellular carriers or competing equipment vendors.

**MOTOROLA SOLUTIONS, INC.** (Continued)**Senior Engineering Director, System Architecture, Public Safety Broadband / LTE**

2010 to 2015

Built and directed team of 15 system architects and governed all broadband product development organization system architecture activities, spanning infrastructure, devices, applications, standards, and regulatory compliance. Defined features and capabilities to be implemented by product development teams.

- Shaped multiple Public Safety LTE deployment models, serving Cellular Carrier partnerships (Mobile Virtual Network Operator, Public Safety Operator) in addition to dedicated private deployments, enabling United Kingdom Home Office adoption of Motorola as Public Safety Operator for new Emergency Services Network (ESN).
- Spearheaded new 3GPP standard specification for High Powered User Equipment (HPUE), providing improved coverage for public safety users in North America.
- Established system architecture for world's first deployment of inter-system Voice over LTE (VoLTE) seamless handover with home routing, empowering large country-wide government LTE system that utilized both private LTE network and carrier partner.
- Formed unique Public Safety LTE Device multi-system mobility architectures and requirements, supplying Intellectual Property (IPR) to support mobility and allowing utilization by LEX (handheld) and VML (vehicular modem) products.
- Prepared and presented Interoperability Showings to Federal Communications Commission (FCC), facilitating early adopter Public Safety LTE systems in Mississippi and Harris County, Texas.

**Senior Director, Product Management, Cellular Networks**

2005 to 2010

Headed Global Infrastructure Product Management of iDEN and Push-to-Talk over Cellular (PoC) product lines, including P&L, pricing, R&D funding, roadmap prioritization, and 3<sup>rd</sup> party supplier agreements. Governed new 2G and 3G solution proposals in North America.

- Authored and negotiated contractual documentation required to split Motorola into 2 companies, ensuring separation agreement between iDEN networks and device businesses provided for continuity of device supply for iDEN system operators moving forward.
- Optimized \$1B iDEN infrastructure product portfolio and associated R&D to support needs of declining global subscriber base (26M to 15M) while maintaining profitability of the product line; driving focus on lower cost scalable solutions and interoperability with PoC systems.
- Reversed unprofitable PoC business by focusing R&D on solutions optimized for 3G and multiple device vendors, attaining success from loading (1M users) and profitability perspective with Verizon.
- Performed product portfolio analysis for 2009 acquisition of Radioframe, Inc., achieving favorable deal near value of acquired inventory while satisfying customers' desire for enhanced base station portfolio.

**Engineering Director / Manager, iDEN Infrastructure, Cellular Networks**

1995 to 2005

Headed design of new iDEN system capabilities and proposed capabilities to customers. Steered implementation of iDEN infrastructure digital signal processing capabilities. Directed iDEN system-wide audio quality. Staffed and led team of 30 system architects and digital signal processing engineers.

- Proposed and led development that doubled system voice capacity by employing AMBE++ vocoder from DVSI, meeting Nextel's capacity needs without acquiring and utilizing additional spectrum or switching to new technology.
- Led system engineering of nationwide PTT capabilities to allow Nextel to provide calling capability across entire U.S

Background:

I am an attorney in private practice in Chicago. My practice focuses on the defense of professionals and corporations in malpractice and product liability actions. I also have experience representing police and fire department employees in negligence, wrongful death, and misconduct matters. My wife and I have two sons and are active at their school (Lincoln Elementary) and in River Forest youth sports.

Interest:

As a lifelong resident of River Forest now raising my family in the village, I have a vested interest in the safety and security of our town. One of the most determinative factors in ensuring that safety is the conscientious evaluation and selection of the men and women who serve in our Police and Fire Departments. I am an active volunteer with the village's youth sports programs and have been seeking another avenue through which I could be of service to the Village. A valued friend and mentor, Mike Trucco, learned of my interest and reached out to me to gauge my interest as his term is expiring this spring. Knowing Mike, it would be an honor to try to continue the good work he has no doubt done over his years of service to the Board.

## MEMORANDUM

DATE: May 11, 2026  
TO: Village Board  
FROM: Matt Walsh, Village Administrator & Jessica Spencer, Assistant Village Administrator  
SUBJECT: Plat of Consolidation & Minor Amendment – 7513 - 7515 Lake Street (River Forest Animal Hospital)

---

**Issue:** Staff is seeking approval of a minor planned development amendment and a plat of consolidation for the property located at 7513 Lake Street.

**Background:** In 1998, Village Ordinance #2789 established the permitted easements and uses for 7525 W. Lake Street, commonly known as Jewel-Osco. Section 5, Restrictions, specifies that permitted uses include “an animal hospital, including the practices of veterinary medicine and surgery”. Under this framework, the River Forest Animal Hospital has operated at 7513 Lake Street, identified in the ordinance as the western building area.

Several years later, an additional commercial building was constructed at 7515 Lake Street and has since housed various businesses in accordance with this ordinance. Although the two structures appear physically connected, they remain legally distinct buildings on separate parcels. Recently, the owner of 7513 Lake Street purchased 7515 Lake Street with the intention of expanding the veterinary practice.

Because the buildings are situated on separate parcels, staff recommended that the properties be consolidated to maintain consistency with the intent of Ordinance No. 2789. The expansion proposal includes modifications to the shared exterior walls and the creation of additional exam rooms, a dental suite, and surgical suites. Pursuant to Section 10-23-3 of the Village Code, the plat of consolidation must be approved by approved by the Village President and Board prior to submission to the County Recorder’s office.

After reviewing the applicable standards for amendments to a planned development, staff has determined that the proposed changes qualify as a “minor” amendment. Based on this classification, staff recommends authorizing the Village Administrator to process the minor amendment and extend the approved animal hospital use from 7513 Lake Street to 7515 Lake Street.

**Request for Board Action:** If the Village Board wishes to approve the consolidation and minor amendment, the following motion would be appropriate:

*Motion to approve the plat of consolidation and authorize the Village Administrator to process the request for a minor amendment for 7513 - 7515 Lake Street.*

**Documents Attached:**

## Section 5 - Restrictions - of Ordinance 2789

work performed by ASPI under Section 3.5. "Owner of Parcel 2's Share" shall mean four percent (4%) of ASPI's out-of-pocket costs and expenses incurred in connection with the performance of its obligations under Section 3.5 above, and "Owner of Parcel 3's Share" shall mean four percent (4%) of ASPI's out-of-pocket costs and expenses incurred in connection with the performance of its obligations under Section 3.5 above. The reimbursement obligations of the Owner of Parcel 2 and the Owner of Parcel 3 under this subsection (b) shall commence upon the commencement of construction on Parcel 2 and Parcel 3, respectively.

(c) Billing and Payment. All payments required to be made under this Section 3.5 shall be made within thirty (30) days of a Party's receipt of a billing therefor, which billing shall include reasonably satisfactory evidence that such costs were incurred and paid for (such as copies of bills, payment applications, invoices, receipts and lien waivers) and such work was paid for and completed. Amounts owing pursuant to this Article, if not paid when due, shall accrue interest at the rate of interest equal to the then published "Prime Rate" of First National Bank of Chicago (the Parties acknowledging that such rate may not be the lowest or "best" rate) or the highest rate permitted by law, whichever is lower from the date due until the date of payment.

(d) Misuse. Notwithstanding anything contained in this Article 3 to the contrary, each Party shall perform and pay for all repairs, replacements and maintenance caused by such Party's misuse of the applicable Common Area improvements or by its willful or negligent misconduct.

### 4. EASEMENTS

4.1 Ingress, Egress and Parking. Each Owner, with respect to its Parcel, hereby grants to each other Owner as grantee, for the benefit of each other Owner and their respective tenants, employees, agents, customers and invitees of such tenants, and for the benefit of the Parcels owned by such grantee and as a burden on the grantor's Parcel, a non-exclusive easement appurtenant to each grantee's Parcel for the purpose of ingress and egress by vehicular and pedestrian traffic and for vehicular parking upon, over, across and through the Common Area within grantor's Parcel.

### 5. RESTRICTIONS

5.1 Business. The types of uses permitted in the Shopping Center shall be of a retail and/or commercial nature found in Shopping Centers of a similar size and quality in the metropolitan marketing area in which the Shopping Center is located, and may include (i) an animal hospital, including the practice of veterinary medicine and surgery, animal behavior

consultation, animal training and grooming, the sale of veterinary drugs, the incidental sale of food for animals and the housing of animals in connection with such veterinary practice (provided, that no outdoor housing shall be permitted) and (i) a water-based only laundry and pick-up/drop-off cleaners; provided, however that no on-site dry-cleaning shall be permitted. Nothing contained herein shall be construed to require the Owner of Parcel 1 or any ASPI Affiliate to open or operate any form of business in the Shopping Center for any period of time or at all. None of the uses listed below shall be conducted in the Shopping Center without the prior written consent of the Owner of Parcel 1. These restrictions shall be a servitude upon the entire Shopping Center and shall be binding upon any person acquiring any interest in any part of the Shopping Center. The uses prohibited are:

- (a) Offices (except as an incidental use to a retail or commercial business).
- (b) Funeral Homes.
- (c) Any production, manufacturing, industrial, or storage use of any kind or nature, except for storage and/or production of products incidental to the retail sale thereof from the Shopping Center.
- (d) Entertainment or recreational facilities. As used herein, "entertainment or recreational facility" includes, but is not limited to, a bowling alley, skating rink, electronic or mechanical games arcade [except as an incidental use to a retail or commercial business, in which case such use shall be restricted to less than five percent (5%) of the floor area occupied by such business], theater, billiard room or pool hall, health spa or studio or fitness center, massage parlor, discotheque, dance hall, night club, bar or tavern, head shop, pornographic or "adult" store, racquetball courts or gymnasium or other place of public amusement.
- (e) Training or educational facilities. As used herein, "training or educational facility" includes, but is not limited to, a beauty school, child care facility, barber college, library, reading room, schools, place of instruction, or any other operation catering primarily to students or trainees rather than to customers. It is the intent of this provision that the parking and other common facilities should not be burdened by either large scale or protracted use by persons other than customers of occupants of the Shopping Center.
- (f) Restaurants, (except on Parcel 1) unless the prior written consent of the Owner of Parcel 1 is obtained, which may be withheld in such Owner's sole discretion. A permitted restaurant which is primarily devoted to the sale of food for on-premises consumption may contain a bar or tavern if operated as an incidental part thereof and/or an electronic or mechanical game room if operated on an incidental part thereof and which occupies less than five percent (5%) of the Building Area occupied by such restaurant.

(g) Car washes, gasoline or service stations, or the displaying, repairing, renting, leasing or sale of any motor vehicle, boat or trailer.

(h) Any use which creates a nuisance or materially increases noise or the emission of dust, odor, smoke, gases, or materially increases fire, explosion or radioactive hazards in the Shopping Center.

(i) No Parcel (nor any part thereof) in the Shopping Center, other than Parcel 1, shall be (i) used or occupied as a retail supermarket, drug store or other store compounding prescriptions, or combination thereof, nor (ii) used for the sale of any of the following: (1) off-premises consumption of general or dry groceries, fish, meat, meat products and/or poultry; (2) liquor or other alcoholic beverages in package form, including, but not limited to, beer, wine and ale; (3) off-premises consumption of produce; (4) off-premises consumption of dairy products, delicatessen products and/or bakery products; (5) floral items; (6) any combination of food items sufficient to be commonly known as a convenience food store or department; (7) greeting cards (except as an incidental use to a gift shop, in which case such use shall be restricted to five percent [5%] of the floor area operated by such gift shop); (8) photo processing; (9) health and beauty aids; (10) items requiring dispensation by or through a pharmacy or requiring dispensation by, through, in the presence of or under the authority of a registered or licensed pharmacist; and (11) a store or restaurant selling take out meal replacement items (i.e., as sold by Boston Market-type operations as opposed to restaurants or fast food outlets). No Parcel (nor any part thereof) in the Shopping Center other than Parcel 1, shall be given the exclusive right to conduct financial services, (including, but not limited to, installation of automatic teller machines) such that the Owner or occupant of Parcel 1 is precluded from conducting financial services on Parcel 1.

(j) No business providing drive-up or drive-through lanes shall be permitted in the Shopping Center without the prior written approval of the Owner of Parcel 1, which approval may be withheld for any reason or for no reason.

(j) Dry-cleaner with on-premises cleaning.

(k) Second-hand or thrift stores or flea markets.

Nothing contained herein shall be construed to prohibit the Owner of Parcel 1 from storing, using, and/or selling any item on or from Parcel 1 or engaging in any activity on Parcel 1, which the Owner of Parcel 1 or any ASPI Affiliate customarily stores, uses, sells, or engages in at any of their other locations. All consents and approvals required pursuant to this Article must be in writing, but need not be made a matter of public record. It shall be solely the responsibility of any party inquiring about such consents or approvals to contact the Owners for written confirmation of the same. At any time after fifteen (15) years from the date of this Agreement,

the Owner of Parcel 1 shall have the right, in its sole discretion and notwithstanding any other provision of this Agreement, to eliminate any one or more of the use restrictions set forth in subparagraphs (a) through (h) above, whereupon such prohibited uses shall thereafter be permitted for all Parcels within the Shopping Center.

5.2 Common Area Uses. No persons other than customers, employees, agents and contractors of the occupants of the Shopping Center shall be permitted to park in the Common Area, unless the Owner of Parcel 1 gives prior written approval thereto. In the event the Owner of Parcel 1 determines that the Common Area is being used for purposes inconsistent with this Agreement, the Owner of Parcel 1 shall have the right to construct a barricade around all or any portion of the perimeter of the Shopping Center to prevent such use; provided, such barricade shall not impede circulation within the Shopping Center nor prohibit access to abutting streets at such times as the Shopping Center is open for business.

## 6. SIGNS

Each Owner shall have the right to maintain such signs on the interior of buildings located on its Parcel as it desires, whether or not such signs are visible from the exterior. As permitted by applicable governmental regulations, each Owner shall have the right to erect, maintain and replace signs on the exterior of the buildings located on its Parcel; provided, such signs shall be constructed so as to lie flat against such exterior facia facing outward and shall not protrude more than two (2) feet from the surface thereof, and provided further, in no event shall signs be located on the roofs (excluding canopies so long as no sign is erected on a canopy which sign will extend above the height of the building roof) of any buildings in the Shopping Center without the prior written consent of all other Owners.

Each Owner, with respect to its Parcel, may at its sole option and expense, construct, maintain and replace one or more pylon or other free-standing signs at any location on such Owner's Parcel, as such Owner may elect in its sole discretion. Neither any Owner nor any Owner's tenants or occupants shall have any right to erect or maintain any sign panels or in any manner use or participate in any of the pylon, free-standing or other signs which may be constructed and maintained on any other Owner's Parcel.

Except as expressly permitted herein, there shall be no signs in the Shopping Center without the prior written approval of the Owner of Parcel 1.

## 7. INDEMNIFICATION AND INSURANCE

7.1 Indemnification of Owners. Each Owner (and any ASPI Affiliate) (the "Indemnifying Party") agrees to indemnify, hold harmless and defend all other Owners (and any

ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE APPROVING A PLAT OF CONSOLIDATION AND A MINOR AMENDMENT TO A PLANNED DEVELOPMENT TO ALLOW CONSOLIDATION OF THE STRUCTURES AT 7513-7515 LAKE STREET.**

**WHEREAS**, petitioners NVA RIVER FOREST VETERINARY MANAGEMENT LLC d/b/a River Forest Animal Hospital (“Petitioners”), owners of the property located at 7513 and 7515 Lake Street in the Village of River Forest (“Property”), requested approval of a plat of consolidation as required by Section 10-23-3 of the Village of River Forest Zoning Ordinance (“Zoning Ordinance”), and a minor amendment to an approved planned development as set forth in Section 10-19-8 (B) of the Zoning Ordinance to allow modifications to shared exterior walls of the adjoining buildings at 7513 and 7515 Lake Streets to combine the adjoining buildings into one building and expand the use as an animal hospital. The Property is located in the ORIC Office/Research/Industrial/Commercial Zoning District (“ORIC Zoning District”); and

**WHEREAS**, the Property is legally described in **Exhibit A** attached hereto and made a part hereof; and

**WHEREAS**, the Application was referred to the Village of River Forest Zoning Administrator and was processed in accordance with the Zoning Ordinance; and

**WHEREAS**, 7513 Lake Street and 7515 Lake Street are adjoining structures that, while appearing to be physically connected, remain legally separate and distinct buildings on separate parcels. The two buildings have come under common ownership, and the longtime occupant of 7513 Lake Street, the River Forest Animal Hospital, intends to join the buildings and expand into the full space; and

**WHEREAS**, in order to effectuate the unification of the two buildings and legal lots, and pursuant to Section 10-23-3 of the Zoning Ordinance, the President and Board of Trustees of the Village shall approve any such Plat of Consolidation that they deem proper; and

**WHEREAS**, Village of River Forest Ordinance #2789, passed on September 28<sup>th</sup>, 1998, authorized a Declaration of Restrictions and Grant of Easements Exhibits. That Ordinance, in its “Exhibit 1”, Subsection 5.1, established “an animal hospital, including the practice of veterinary medicine and surgery, animal behavior consultation, animal training and grooming, the incidental sale of food for animals and the housing of animals in connection with such veterinary practice” as an approved use within the Shopping Center (as defined therein) which includes both 7513 and 7515 Lake Street; and

**WHEREAS**, Section 10-19-8 (B) of the Zoning Ordinance provides that as to a Planned Development, “a minor change is any change in the site plan or design details of a project operating under an approved planned development permit which is consistent

with the standards and conditions applying to the project and which does not alter the concept or intent of the project”; and

**WHEREAS**, the establishment of a combined premises of 7513 Lake Street and 7515 Lake Street, two buildings which already adjoin and appear to be a single space, and the use of such space as an animal hospital is consistent with both the already approved use as established by Ordinance #2789 as well as the standards and conditions applying to the project and does not alter the concept or intent of the project; and

**WHEREAS**, the President and Board of Trustees of the Village of River Forest have duly considered all of the materials, facts and circumstances affecting the Application, and find that the Application satisfies the standards set forth in the Zoning Ordinance relating to the Plat of Consolidation and the requested Minor Amendment.

**NOW, THEREFORE, BE IT ORDAINED** by the President and Board of Trustees of the Village of River Forest, Cook County, Illinois, as follows:

**SECTION 1:** That the recitals above are incorporated into Section 1 as though set forth herein.

**SECTION 2:** That the President and Board of Trustees of the Village, acting pursuant to the authority vested in them by the laws of the State of Illinois and the Zoning Ordinance: (i) find that the Application meets the standards for the relief requested therein, (ii) approve the Plat of Consolidation of 7513 and 7515 Lake Street, and (iii) approve the minor amendment to the planned development allowing the unification of the premises at 7513 and 7515 Lake Street and the use of the entire premises as an animal hospital with a veterinary practice as set forth in Ordinance #2789 and direct staff to administratively process such minor amendment, all as set forth in the Application.

**SECTION 3:** That Village staff is directed to record the Ordinance on title to the Property with the Cook County Recorder of Deeds. Village staff is further directed to take all actions necessary to effectuate the execution and recording of the Plat of Consolidation associated herewith.

**SECTION 4:** That any violation of any term or condition stated in this Ordinance or of any applicable code, ordinance, or regulation of the Village shall be grounds for the rescission of the approvals made in this Ordinance, in addition to all other remedies available to the Village.

**SECTION 5:** That if any Section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such Section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

**SECTION 6:** That all ordinances, resolutions, motions or parts thereof in conflict with this Ordinance shall be and the same are hereby repealed.

**SECTION 7:** That this Ordinance shall be in full force and effect after its approval and publication in pamphlet form as provided by law.

Subj: Discussion and Approval of Concept and Construction Plan for Heritage Square (Lake Street & Park Avenue)

---

**Background:** At the July 14, 2025 Village Board meeting, staff introduced the concept of upgrading the Village-owned parking lot at the corner of Park Avenue and Lake Street into a public space. Following Board support, the concept was incorporated into the Village's Capital Improvement Plan as "Heritage Square" that was approved at the April 27, 2026 Board meeting. Heritage Square is a homage to the Village's motto Proud Heritage, Bright Future.

The purpose of this discussion is to obtain Village Board feedback on the proposed concept design and to request authorization to proceed with the project. Renderings of the proposed space are attached.

As proposed, Public Works staff will serve as the general contractor for the project. Staff will perform certain aspects of the work and other features may be assigned to subcontractors. The scope of work includes asphalt and concrete removal, top-soil installation, sidewalk construction. A landscaping company will be engaged to install and maintain both native plantings and ornamental plantings onsite. All existing mature trees will remain in place.

The concept also includes benches and garbage cans, partially funded by \$7,500 grant from the Illinois Realtors Association. The ornamental fencing currently onsite will be retained and extended along Park Avenue. A drinking fountain is also proposed to be installed.

Staff further recommends extending power to the site to support future enhancements, such as lighting or audio-visual features. Staff proposes keeping a portion of the concrete apron along Park Avenue to allow for parking of food trucks or service vehicles for potential future events. Staff is also researching signage options to incorporate a map of River Forest, highlighting historical homes.

The initial phase of construction is intentionally simple, enabling the space to be opened for public use this summer. Additional amenities may be considered in future phases based on resident use and feedback. Potential improvements include public art installations, flagpoles, play elements, and expanded paved areas.

**Estimated Timeline:** Construction is proposed to begin the week after Memorial Day. Work is expected to last three to four weeks.

**Budget:** The FY 2027 budget includes \$100,000 for the project. Staff has performed the design work internally, saving an estimated \$30,000 in professional design costs. Staff expects \$70,000 to cover the following items:

- Equipment rental
- Construction debris disposal
- Topsoil
- Concrete
- Landscaping
- Benches
- Electrical work
- Drinking fountain
- Fencing

The cost of individual items and contracts is not expected to exceed staff spending authority.

**Motion:** Motion to Direct the Village Administrator and Staff to construct Heritage Square as proposed.
