We are pleased to confirm our acceptance and understanding of the following services we are to provide for the River Forest Firefighters' Pension Fund for the fiscal years ended April 30, 2027, 2028, and 2029.

We will compile from information you provide, monthly Treasurer's reports including annual and interim statements of net position - modified cash basis, statements of changes in net position - modified cash basis, and other supplementary information for the fiscal years ended April 30, 2027, 2028, and 2029 and perform a compilation engagement with respect to those financial statements. These financial statements will not include related notes to the financial statements as required for the financial statements prepared in accordance with the modified cash basis of accounting. In addition, the supplementary information accompanying the compiled financial statements will be prepared and presented with the financial statements. Such supplementary information is the responsibility of management and will be subject to our compilation engagement. We will not audit or review the supplementary information. We will not express an opinion, a conclusion or provide any assurance on such supplementary information.

Our Responsibilities

1. We will provide you with the following bookkeeping services: post the cash receipt and cash disbursement journals; reconcile all bank accounts; account for all investment transactions; post the general ledger; issue vendor, contribution refund, and pension benefit payments; maintain vendor and benefit payment history; maintain records of contributions paid by members.
2. We will prepare financial statements in accordance with the modified cash basis of accounting based on information provided by you.
3. We will apply accounting and financial reporting expertise to assist you in the presentation of financial statements without undertaking to obtain or provide assurance that there are no material modifications that should be made to the financial statements in order for them to be in accordance with the modified cash basis of accounting.

Our Responsibilities - Continued

4. In addition, we will prepare the Illinois Department of Insurance (IDOI) Annual Statement and the Year End Auditor's Workpapers. We will also prepare and file the annual tax forms 1099-R, 945, 1099-MISC and 1099-NEC and 1096 for the calendar years ended December 31, 2026, 2027, and 2028. All transactions will be recorded utilizing the chart of accounts established by the IDOI. Account coding for transactions is self-evident based upon the chart of accounts established. It is our understanding that the transactions posted, along with the monthly Treasurer's reports, will be approved by the Pension Board at the regularly scheduled Board Meetings.
5. We will perform pension benefit calculations and process benefit and vendor disbursements upon written authorization of management. A list of the scheduled pension benefit increases for each calendar year will be provided to the Pension Board for approval. All benefits are calculated in accordance with State Statutes and are based upon the pension benefit calculation schedules prepared for each beneficiary and approved by the Pension Board. We will disburse to the pensioners the gross pension benefit amounts indicated on the list provided for the applicable twelve-month benefit period. Any other amendments or changes to the gross benefits will require written authorization from the Pension Board. We will also perform requested non-actuarial calculations for all creditable service transfers and purchases allowable per State Statutes in effect as of December 31, 2024. An additional cost may be incurred to perform such calculations in effect as of January 1, 2025.

The Pension Fund may terminate the portal services with written notice to Lauterbach & Amen. Lauterbach & Amen agrees to maintain the Pension Board's access for a maximum of 30 days after written notice is received, for the Pension Board to make sufficient electronic copies.
8. Lauterbach & Amen will maintain cyber and professional liability insurance and provide documentation of such coverage upon request.

We will conduct our compilation engagement in accordance with Statements on Standards for Accounting and Review Services (SSARS) promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants (AICPA) and comply with applicable professional standards, including the AICPA's Code of Professional Conduct and its ethical principles of integrity, objectivity, professional competence, and due care, when performing the bookkeeping services, preparing the financial statements, and performing the compilation engagement.
