Safe, Spooky Fun for Our Whole Community

Trick or treating Hours – 3pm – 7pm.

SATURDAY, OCTOBER 31, 2026

WHEN TRICK-OR-TREATING

- Do not trick-or-treat alone.
- Kids under age 12 should always go trick-or-treating with an adult.
- Make sure your costume is visible to vehicles and others.
- Purchase only flame-retardant or flame-proof costumes and masks.
- Make sure costumes fit properly to prevent tripping or falling, and wear masks that allow full vision.
- Stay on sidewalks and obey traffic signs and signals.
- Carry a flashlight.
- Only approach homes that are well lit, and only approach the front door.
- Check all treats to make sure they are sealed. Throw out candy with torn packages or holes, spoiled items, or homemade treats from strangers.
- Don't let young children have hard candy or gum that could cause choking.

FOR YOUR HOME

- Instead of a candle, light your pumpkin with a small flashlight or a glow-in-the-dark liquid light stick.
- Remove anything that could cause visitors to trip or fall on your walkway or lawn.
- Turn on your outdoor lights and light the walkway to your door, if possible.
- Keep family pets away from trick-or-treaters, even if they seem harmless to you.

As always, if you see something that doesn't look right, please call 911.
