The Village of River Forest is hosting a Community Meeting for a potential on-street extension of the Des Plaines River Trail (DPRT) on Thatcher Avenue within the Village limits from North Avenue to Madison Street. This is part of a larger Phase I Engineering Study of the DPRT that extends from Touhy Avenue to the Illinois Prairie Path. The purpose of this meeting is to present the proposed improvement plans and provide an opportunity for public comment. Project information will be provided, including a project overview, details of the proposed improvements and ways for stakeholders to provide comments.

The meeting will be conducted in an open house format, meaning that interested persons may visit any time between 6:00 and 8:00 p.m. Attendees will have the opportunity to review exhibits, provide comments and meet with Village staff and project study team representatives on a one-on-one basis. Comments may be submitted at the Community Meeting, or can be sent to the address below. Written comments submitted by October 15, 2024 will be specifically added into the Community Meeting record.
