Being Counted Really Counts!

Tuesday, January 14, 9:30 – 11:00 am

Nineteenth Century Club, 178 Forest Avenue, Oak Park

Infrastructure, school lunches, libraries, business investment, congressional representation and more are at stake in the 2020 Census. Representatives from each of our three villages will discuss how they are working to make sure each town has a complete count, the census process, your responsibility and why it matters. Please join us, ask your questions and help spread the word!

Parking is free for the first 90 minutes in the Vantage building next door. There is metered or PassPort parking along Ontario Street and free parking for 2 hours along Forest north of Ontario (access via Chicago Ave.).

Complete Count Committees partner with the Census and the Bureau, but they are *not* the Bureau.
