

DESTINATION:

HEALTHY LAWN- HEALTHY FAMILY

SATURDAY, 4/10, 2-3:30 PM

Keep your family, lawn, and environment healthy. Join us on zoom to learn strategies to eliminate the use of pesticides and other chemicals in resident lawn care routines. Presented by David Murphy from The Deep Roots Project and Ryan Anderson and Vytas Pabedinskas from Midwest Grows Green. Register to receive the zoom link.

Brought to you in partnership with the Village of River Forest Sustainability Commission
