Senior Citizen and Persons with Disabilities Snow Removal Program

The Village of River Forest is offering a Snow Removal Program to eligible senior citizens 65 years of age and older and residents with disabilities. Seniors who qualify for a senior freeze property tax exemption or other financial or unique hardship are eligible for this program. The Village hires snow removal contractors (who are licensed and bonded with the Village) to remove snow from your sidewalk and clear the front walkway to your front door after 2” of snowfall has accumulated. The contractor will make one pass once the snowfall event is completed. This service is only available once per snow event when 2” or more of snowfall has accumulated. Please fill out the form below to be added to the Snow Removal Program list and either drop it off at Village Hall or email a signed copy to lmasella@vrf.us. You may also sign up using this Google Forms link: [CLICK HERE](#)
