Dear River Forest Resident,

You are receiving this notice as a courtesy because Village records indicate that your property is located in River Forest within 500 feet of the development site for the proposed townhome development at 1101-1111 Bonnie Brae Place.

The River Forest Development Review Board (DRB) is scheduled to hold a continued public hearing on May 7, 2020, at 7:30 p.m. to consider the proposed development, however, the Village has determined that this hearing will again be continued to a future date. The DRB will not be taking testimony from the developer, staff, consultants, or public on May 7, 2020. A copy of the May 7, 2020 DRB meeting agenda is available online at vrf.us/meetings.

Information regarding the proposed townhome development can be found at vrf.us/bonnieandthomas. To learn more about the DRB and planned development process please visit vrf.us/developmentguide.

The May 7, 2020 DRB meeting is open to the public, however, physical attendance at this public meeting is limited to 10 individuals, with DRB officials, staff and consultants having priority over members of the public. Although the DRB will not be accepting public testimony regarding the application, you may submit your public comments via email in advance of the meeting to me at lscheiner@vrf.us. You may also listen to the meeting live by participating in a telephone conference call as follows by calling 312-626-6799 (meeting ID: 873-5279-5117). If you would like to participate over the phone, please email lscheiner@vrf.us by 5:00 PM on Thursday, May 7, 2020. An audio recording of the meeting will be posted on the Village's website in the days following the meeting at vrf.us/meetings.

Sincerely,

Lisa Scheiner

Assistant Village Administrator
