Update on COVID-19 guidance: Message from Village President, Catherine Adduci

This afternoon, the Village of Oak Park Public Health Department issued an order for Shelter in Place due to the COVID-19 epidemic. You can find that order [here](#). This order only applies to Village of Oak Park. The Village of Oak Park is its own certified public health department and has the authority under State law to issue these types of orders. The Village of River Forest is under the jurisdiction of the Cook County Department of Public Health (CCDPH), also a certified health department. The Village of River Forest relies on the direction from the CCDPH and the Illinois Department of Public Health (IDPH) for these matters. Should either the CCDPH or the IDPH issue such an order, we will notify you accordingly.

The Village continues to strongly encourage residents to stay at home and practice proper social distancing.
